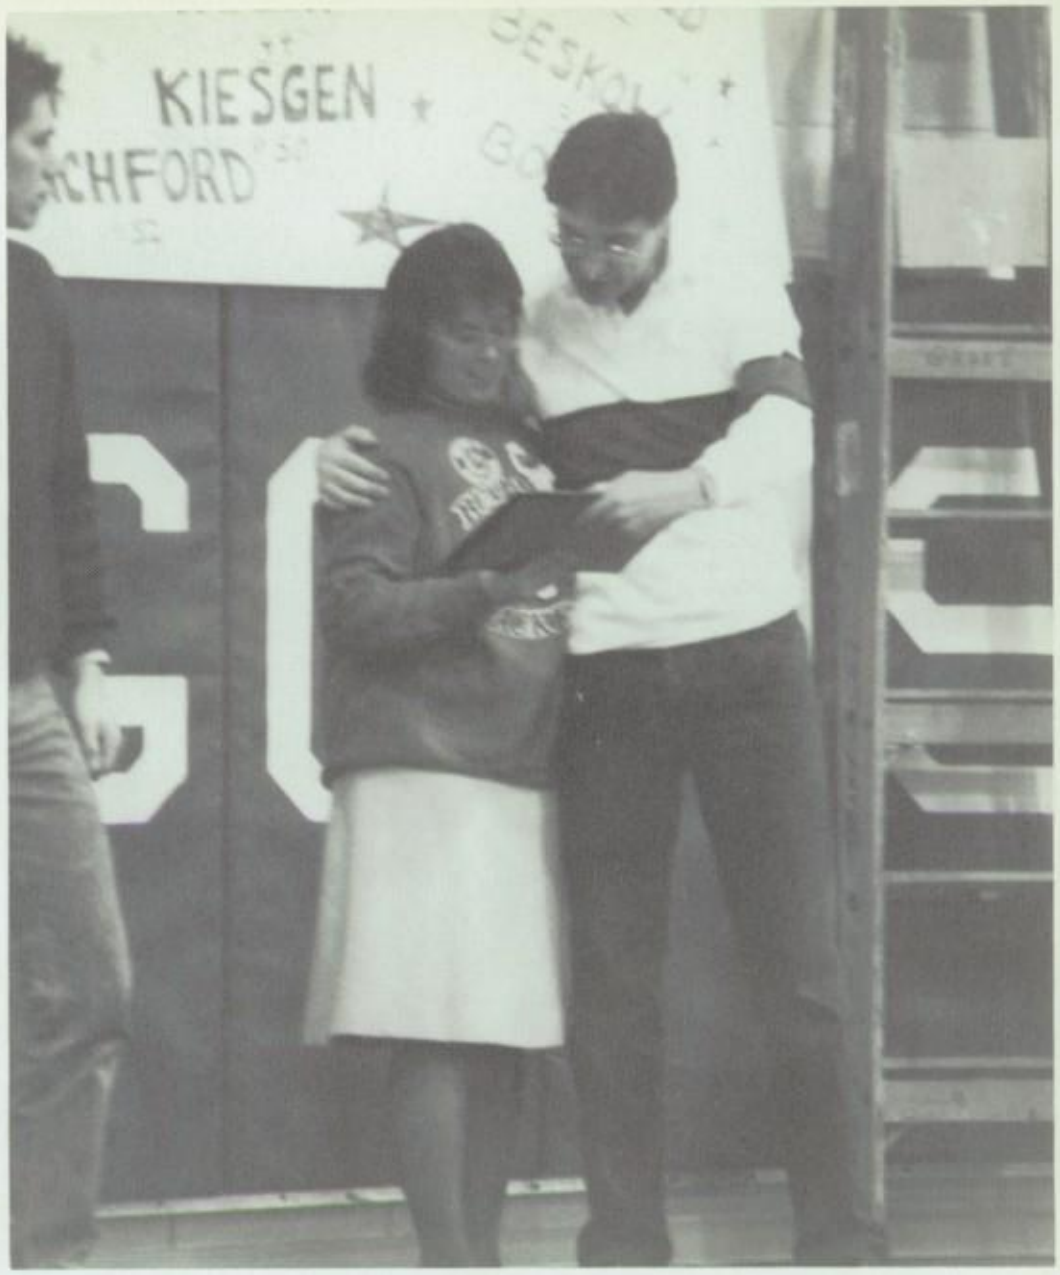
TRUMPETER

DIRECTLY BELOW: Grant's mascot eats up the competition.

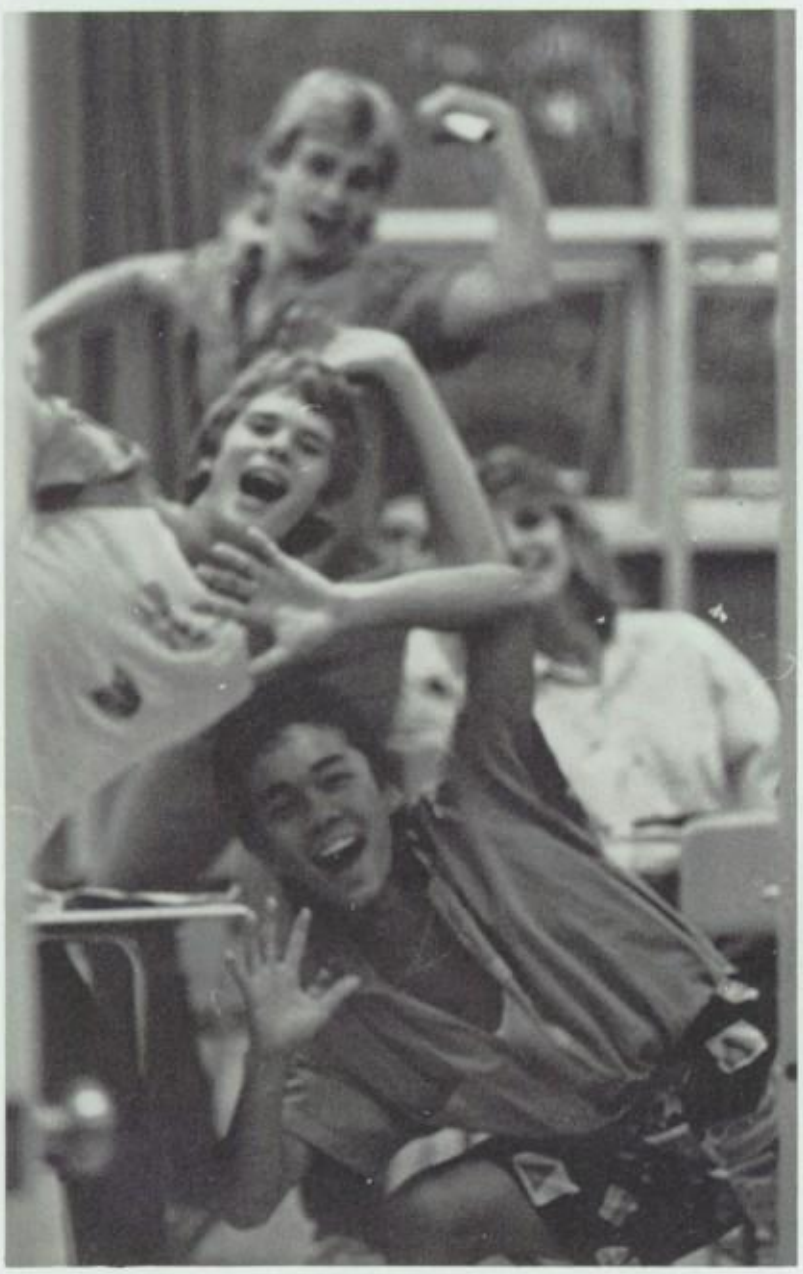
RIGHT: Mr. Maple presents Ms. Vickers with a special award for her work with the Pep Club.

BOTTOM: By the look of excitement in the faces of the crowd, one can definitely see "THE SPIRIT IS BACK."



BELOW: Juniors John Wilhelm and Rich Wilson cheer the junior Powder Puff football team to victory.
RIGHT: Junior Kris Scott (left) and seniors Melinda Sundberg, Erika Kelly, and Karyn Prasil help to motivate the crowd before the regional championship basketball game.

RIGHT: Seniors John Hoffman and Andy Knebelsberger work to put out a staged fire while they are on a Student Government Day assignment.



TOP: Looks like a junior Powder Puff victory!!!
ABOVE: Junior Tod Rejholec shows what fun chemistry can be.
LEFT: Junior K.C. Burns (center) and seniors Don Hong (bottom) and Brian Kalchbrenner (top) take a moment out of their studies to have a little fun.

UPPER RIGHT: A familiar sight in the halls this year was the class of 1987's cutest couple, Justen Seifer and Renea Schultz. ABOVE: Freshman George Kozicek, Dan Russell, Kip Kaminscky, Luke Linscott, and Matt Reynolds spend a little time on the sidelines trying to decide whether or not to get involved.

FAR RIGHT: Dana Catalano gives her full attention to her chemistry lab. RIGHT: Melinda Sunberg obviously enjoys her roll in a skit put on by the sophomore and varsity cheerleaders for the senior football players.

Seniors join the bulldog mascot on the bleachers and watch the pep assembly.

FAR UPPER LEFT: Juniors Tracy Becker and Dana Catalano pause in the excitement of a pep assembly to pose for a picture. UPPER LEFT: The 1986 Varsity cheerleaders welcome everyone back to school. CENTER LEFT: Juniors Kathy Twarowski and Cindy Chigges share an inside joke in the commons. LEFT: Mark Ferrigan defends himself against the fearless Cindy Edwards.

A look of concentration is all that is found on senior Babette Hagen's face.

Sophomores Linda Ferguson, Meg Martini, and Regina Osborne study in one of their many classes.

Freshman Renny Marciniec carefully studies his next drafting project.

RIGHT: Senior Powder Puff cheerleaders take a break to relax in between their near-to-perfection cheers. BELOW: Sophomore Sue Zielinski concentrates on a test.

The Varsity Bulldogs definitely got a treat when they captured the rams along with everyone else in the NWSC.

Sophomore Kris Kosar listens intently to what her teacher has to say.

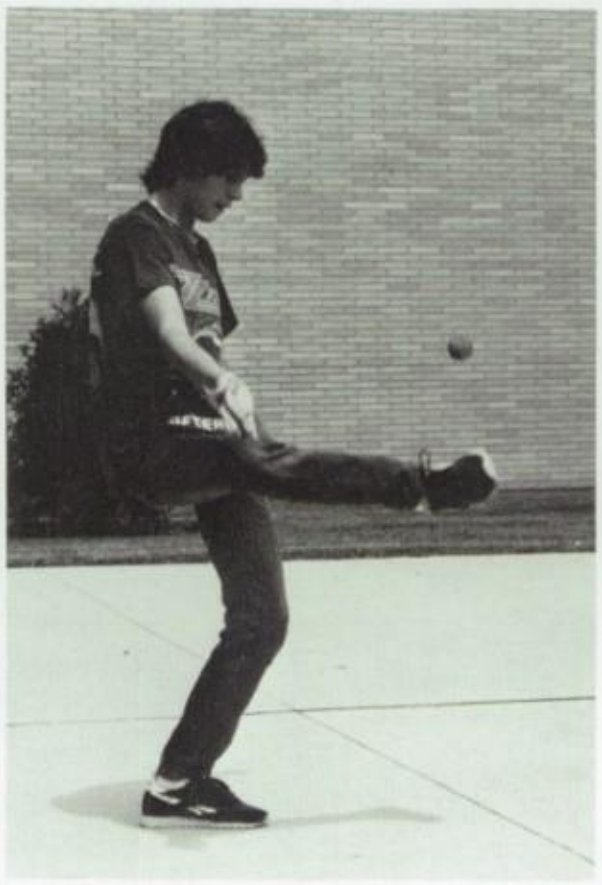
# HACKY SACK A NEW SPORT?

Students Jeff McDonough, Dan Altman, Ross Tammen, Sean Olsen, Chris Pease, D.L. Litwiler, Bruce Pierce, Dave Kussman, and Dewayne Abernathy gather in the back of the school to "hack" during the 5B period.



Junior Rick Huhn (right) and freshman Dan Altman (far right) practice their hacking skills.

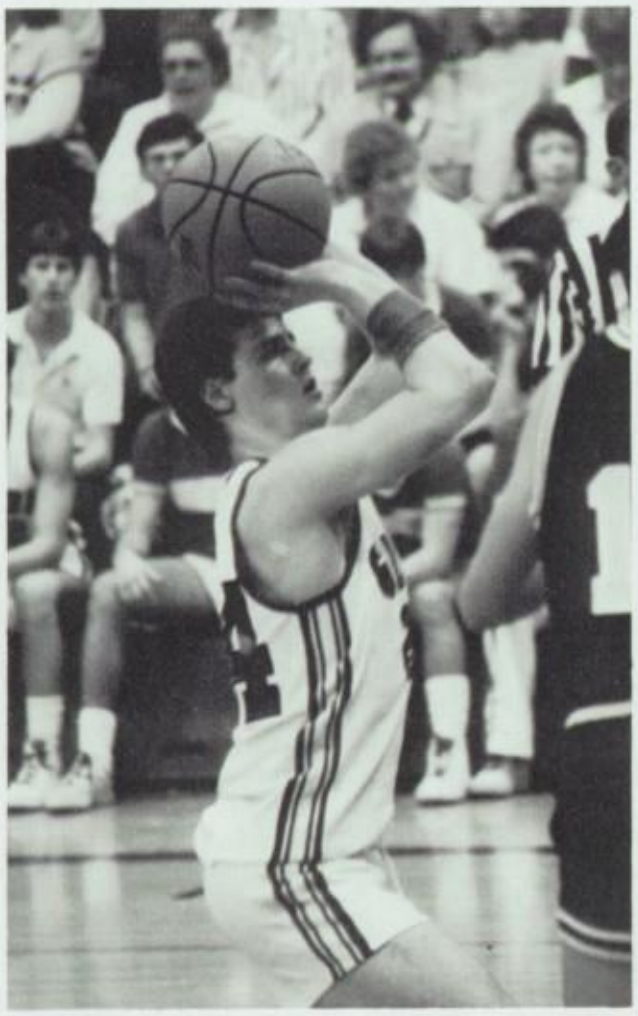
Many things come and go throughout a school year. Faces change and so do hobbies and pastimes. A new sport, or hobby, came to Grant this year, and unlike many other things, continued to catch people's interest right up until finals rolled around. The new "sport" requires coordination, skill, concentration, lots of practice, and anybody can play. It's the game dealing with a kind of ball called a hacky sack.

During lunch and before school, many kids gathered in the gym lobby, outside, and even in the halls to "hack." Freshman Dan Altman and Junior Rick Huhn seemed to be the champions of the 5B lunch hour. Along with their friends, these two could keep the hacky sack in the air for some time.

Maybe the hacky sack will, like most things, fade with time and be replaced with something else. But until then, these "hackers" will continue to build their skill and will have a fun time doing it!

Tom Perconti, Steve Sosnowski, Rick Huhn, D.L. Litwiler, Bruce Pierce, Joe Vermillion, and Dewayne Abernathy watch Dan Altman demonstrate why he is one of the best "hackers" in the 5B lunch period.

# Bulldogs Take Charge Of NWSC



The scoreboard tells the story of the 1986-87 Grant Bulldogs!

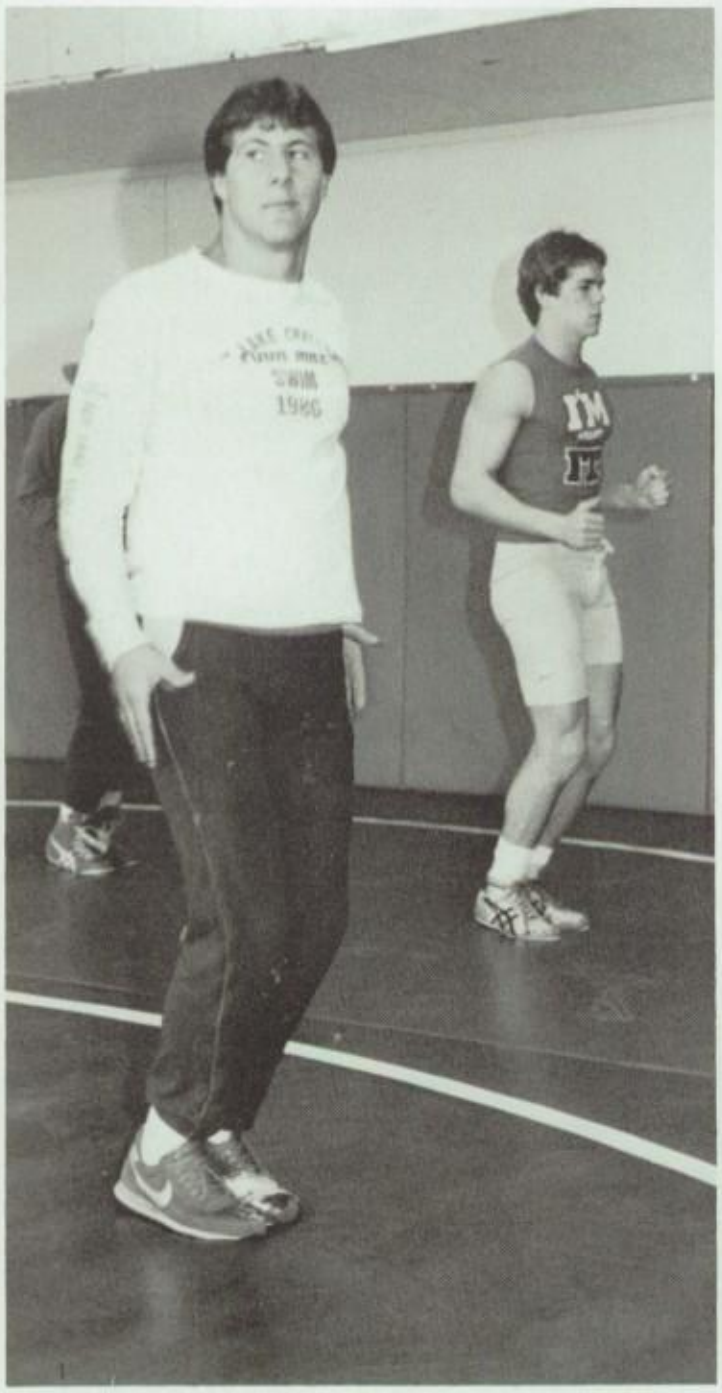
UPPER LEFT: All-county player, all-conference pitcher Joe Vocke swings skillfully at a pitch. LEFT: Freshman Mike Russo rounds the turn on a relay for the varsity track team. FAR LEFT: Mike McDonald concentrates as he prepares for a free-throw during the regional championship game.

If someone were to ask how Grant did in the Northwest Suburban Conference this year, words like spectacular, great, and awesome might be the first words that come to mind. There's no doubt about it-this was the year of the bulldog!

Grant took 7 conference titles and 2 regional championships. Conference was won in the following sports: football, basketball (boys), wrestling, cross country (girls and boys), baseball and track (boys). The regional championships went to the boys' basketball and girls' softball teams.

Two of the most spectacular and enjoyable games were played against arch rival Round Lake. The varsity football team showed the Panthers that the Bulldogs meant business right away and removed the "scar" the Panthers left by winning last year 3-0. The Bulldogs put the Panthers where they belonged by shutting them out 27-0 at Round Lake. Later in the sports season, the varsity basketball team beat Round Lake in triple overtime to win the regional championship. Needless to say, Grant has made a name for itself in the sports department and it certainly isn't in the dog house!

RIGHT: Junior Kathy Hilgart looks thoughtful as she waits for her PE test to be handed out. RIGHT CENTER: Senior Joanne Hawkins takes control of her machinery as fire chief for student government day.



Senior Joe Sundland and Junior Bob Foster concentrate on conditioning for the wrestling season.

Sophomores take a break in the hall to discuss the latest gossip.

FAR LEFT: Senior Scott Lamberty gets a little help while painting windows during homecoming week. LEFT: Sophomore Jason Becker takes advantage of having speech class as he addresses friends and family at awards. BELOW: Freshmen Rich Gifford and Chris DePaul take time out between classes to talk to friends.

Senior John Roever stops at his locker during the passing period.

Senior Jenny Krueger takes advantage of her artistic abilities for window painting during homecoming week.

Sophomores Kelly Koskela and Lisa Ravenscraft are the cat's meow at the Halloween Dance.

# Grant Students

Junior Eric Sutton helps classmate Bob Foster get involved up in the wrestling room.

Student Life. The life of the students here at Grant. To make school worth while, students live their high school lives by two main words-GET INVOLVED! Whether it be in sports, clubs, or going to games and supporting school teams, it all helps in making these the best four years of life.

With the spirit of the '86-'87 Bulldogs, who could sit on the sidelines and watch the year go by? With Grant's teams winning two regional championships and a bunch of conference titles, getting involved was quite easy.

The class of '90 got to finally be in a "big kids" school and attend high school dances and games, along with other rare high school activities. As we said "hello" to the class of '90, we also started saying goodbye to our friends and relatives who made up the class of '87. They finally graduated! But already? Ask any of the graduates of 1987 and they'll probably agree that the past four years seemed more like four weeks. The time went by fast, although it didn't seem like it would. The years spent at Grant will hopefully be something to remember up until the 50th high school reunion. If students don't get involved now, they may ask themselves later-why? And they most certainly will regret it.

High school can be fun, but it's up to each individual person-no one else. Have fun in high school-

**GET INVOLVED!**

With a mascot like this, who would dare mess with the Mighty Bulldogs! This version of the Grand Bulldog was one of the window paintings that decorated the town during Homecoming.

Seniors Tracy Gilbert, Renea Schultz, Justin Seifer, and Brian Kalchbrenner pose for the photographer after the mock wedding.

Wedding bells rang for seniors Renea Schultz and Justen Seifer on Wednesday, February 25th, in the third hour Marriage and Family class. This event was under the direction of Mrs. Renaker, whose classes planned the happy occasion a month in advance by preparing wedding workbooks. These workbooks covered all the aspects of planning a wedding. Mr. Maple posed as the clergyman, and Mr. Callaby was the father of the bride. Other members of the wedding party included seniors Brian Kalchbrenner, Tracy Gilbert, and Dawn Brown, and junior Renee Schubert. Second hour Marriage and Family class also stagged a mock wedding, marrying juniors Tracy Becker and Jamie Hasenstein.

## Graduation

The colors, the music,
The time of your life,
The first time, the last time,
The beginning, the end.
Congratulations, congratulations,
You finally made it through-
All the long years, and
Not without tears.
The diploma's in hand,
The party's over and through.
After graduation, what
Lies ahead for you?
Your parents, so proud,
The music, so loud it
Echos 'round in your head.
You are now an adult,
Free to live as you choose.
But if only for a moment,
Stop, reflect, and remember,
That you are still, and will,
Always be
In school.

# Congratulations

Senior year-finally. The last year in the never-ending twelve. We've made it through all twelve years. Now we only have college to go. The class of 1987 - the big shots of the school. When we weren't showing off we did manage to accomplish many things. With the help of some of the juniors, our varsity sports teams captured the conference titles in cross country, football, wrestling, basketball, track, and baseball. We also beat arch rival Round Lake in double over-time to capture the basketball regional championship.

Besides our accomplishments in sports, we were involved in many new activities. We held "Project Graduation" for the first time ever. This was an all-night party for seniors which stressed having fun without drugs. It was held at the Crystal Lake YMCA.

Along with the fun and accomplishments of our last year, we also suffered the agony of defeat. We lost the powder puff game to the juniors and also gave up first place in the float building competition, taking third.

Although we thought of our senior year as "a blow off year," our classes still required some attention. Economics, Civics, and P.E. were required for everyone, while college-bound seniors also struggled with advanced math, science, and English classes.

We will never forget our years at G.C.H.S.- the tears, the fears, the heartaches, and the triumphs. Goodbye Grant. Thanks for the memories!

# Dancing The Night Away

Imagination 2086 was the theme for the 1986 Homecoming Dance. The Student Council gave the auditorium a futuristic look with silver and purple balloons and streamers.

Couples enjoyed an evening of dancing to the music produced by *The Dancin' Machine,* which played both fast and slow music. During the fast music the students enjoyed dancing in large groups. Dress styles this year were a little longer than last year, and for some unknown reason blue seemed to be the most popular color.

Half way through the dance the Queen, Deanna Medine, and King, Garry Glauser, were presented. The Queen's Court was also presented along with the junior, sophomore, and freshman attendants. The next dance was then dedicated to the King, Queen, and Royalty.

An added attraction this year was the option of having a free picture taken thanks to the generousity of Mr. Ronald Rasbid.

Students still carry on the tradition of going out to eat for Homecoming. Many couples made early reservations to eat and then come to the dance. Some couples waited for the Court to be announced and then went out to eat. Then there were the late night eaters who waited until the end of the dance to go out to eat. Some of the most popular places for eating out were The Landings, Andres, and Gale Street Inn.

Curfew? No, not this night; curfew was whenever people got home, and for some that was early the next morning.

Senior Dave Marshall and date are having a pleasant time.

# Imagination 2086

Homecoming activities started out with rain, rain, and more rain! This soggy situation did not, however, dampen the spirits of the GRANT BULLDOGS. The activities started out with float building and spirit week. This year the themes for spirit week were: Monday-college/nerd day, Tuesday-beach day, Wednesday-role-reversal day, Thursday-toga day, and Friday-red and white day. The rain which had continued all week let up enough on Friday so that many of the seniors could paint the windows and dcorate the football field and the auditorium.

Friday afternoon at the pep assembly, the students displayed a great amount of school spirit. Homecoming activities were continued Friday night at the powder puff game, the pep assembly and the fireworks. At the rock dance the junior girls celebrated a powder puff victory.

Saturday morning the rain started up where it had left off the night before. Only now the students had something else to contend with-dropping temperatures that almost threatened to turn the rain into sleet and snow. Enormous puddles of rainwater near Lakeland Plaza that spilled over the parking lot and crossed Grand Avenue shortened the parade route, but not the spectators' or participants' enthusiasm. The varsity game had a great turnout and the Bulldog team showed why they were undefeated. The final score of the game was 35-0.

Though wet and cold, the Bulldog fans left for home in great spirits for the big dance.

# A Roaring Success!

Hearty congratulations are in order for Mrs. Garlanger and her crew for their presentation of the fall play. "The Mouse That Roared" made its debut at Grant on November 14 and was presented again to an even larger and more enthusiastic audience on Saturday, November 15. It told the story of a mythical 14th century European country which initiates a war with the United States and wins.

The Dutchess Glorianna sends her soldiers with bows and arrows to attack New York City. They are lead by her soon-to-be husband, Tully Bascom. To everyone's surprise, the tiny group manages to get hold of the notorious Q-bomb, and returns home victorious. After a turn of events, the United States, feeling threatened, sues for peace. In the end, the tiny country is in control and prevents a war from ever taking place again.

# Annual Musical A "Slick" Job

While his Burger Palace buddies look over their newly-stolen hubcaps, Sonny, played by John Amedio, celebrates with a swig of beer. Standing behind him are Doody (Mike Thomas), George (Bob Bionski), Roger (Jon Ferrigan), and Danny (Rob Findlay).

Grant High School entered a time warp last spring. It was transported back to the era of the fifties, complete with greasers, poodle skirts, and sock hops. The reason for this shift in time was the music department's production of the Broadway hit, "Grease."

Mr. Ring again produced the musical, which was directed by Mr. Lynn. Mr. Lynn, who directed seven Grant musicals in the past, was back again after a four year break. He was assisted by Robin Hallin.

Over 70 talented and enthusiastic students put three months of work into the production, which was presented on March 20, 21, and 22. When the curtain finally went up, all the hard work paid off. All three performances played to enthusiastic and appreciative full houses. Frequent spontaneous applause and laughter interrupted the energetic performance.

A special highlight was the wild and crazy antics of Burger Palace boy, Sonny LaTierrie, played by John Amedio, whose portrayal was so convincing that he was mistaken for a real-life greaser. Lead players, Carrie Putna, Kelly Maculan, Rob Findlay, Ron Nagel, and Mike Thomas also put in strong performances. They were all well-supported by a cast that were obviously enjoying themselves.

Sandy (Carrie Putnam) tries out her new tough and sexy image on boyfriend Danny.

The Pink Ladies take a few minutes out from their pajama party to sing and swoon over "Freddie My Love." CLOCKWISE FROM TOP: Jan (Pam O'Mary), Connie (Lisa Powell), Carol (Anne L'Abbe), Marty (Erica Schaudt), Barb (Jana Lonbardo), and Frenchie (Cindy Ringer).

# Good News Bears

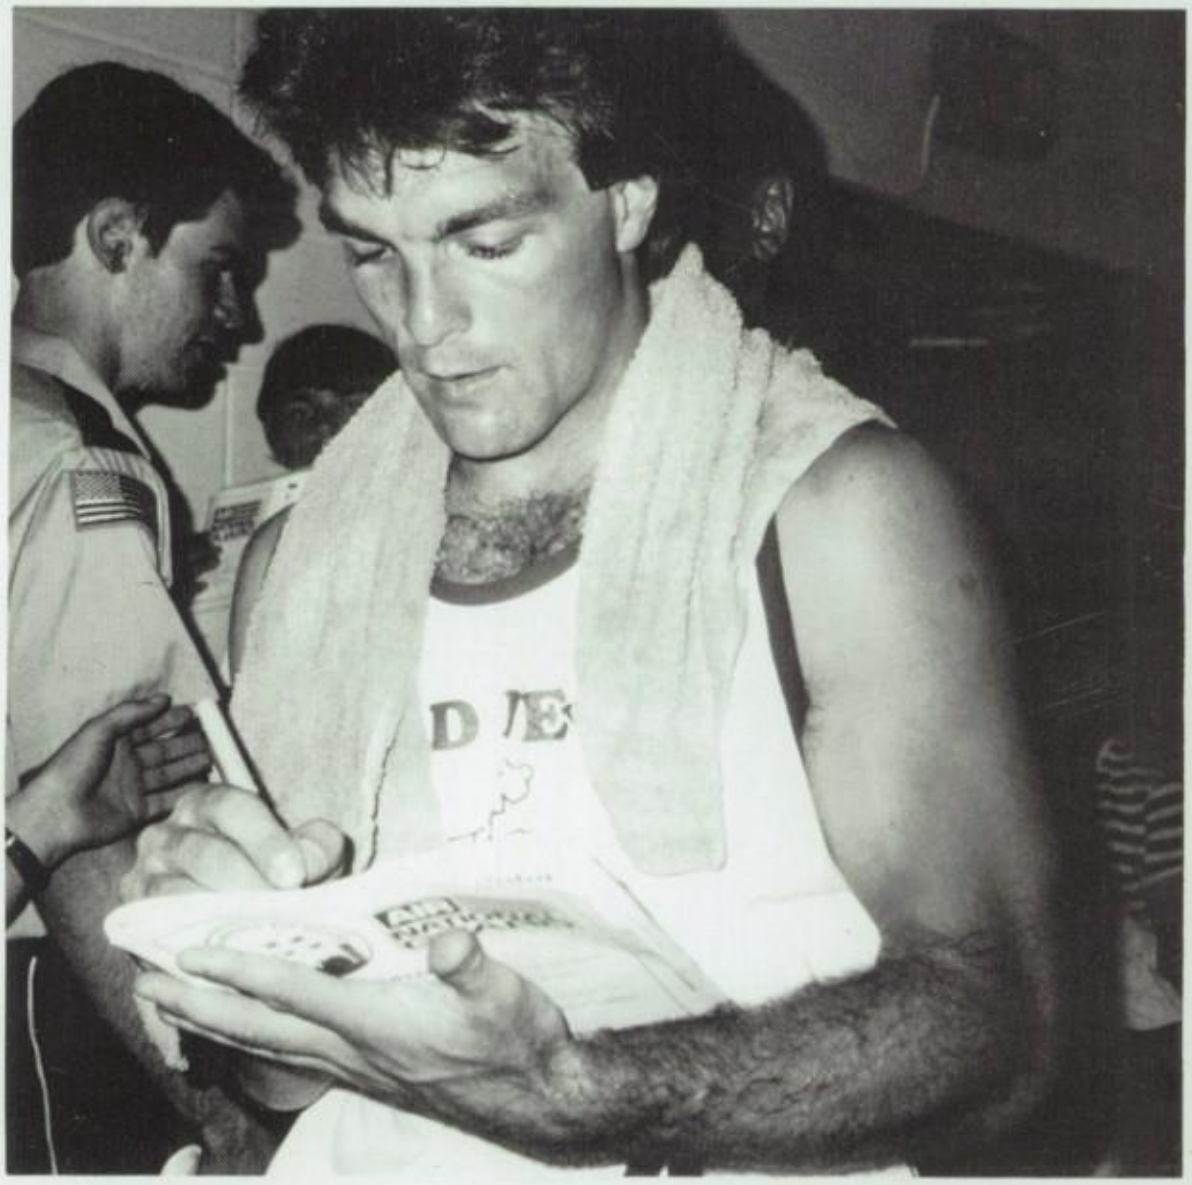
Fox Lake residents were treated to a night of fun and entertainment when the Fox Lake Police Department tried to tackle the Good News Bears. The event was a first here at Grant and was held in the Grant gym at 8:00 p.m. on May 1st. Fox Lake was the last appearance for the Good News Bears and by beating the police department they ended their season with a record of 32-0!

The game was already underway when work came of the arrival of quarterback Doug Flutie, who had made a wrong turn on his way to Grant. By halftime, the Bears had already proved that football wasn't the only game they could play.

Although they were tired from the game, Bear players took the time to sign autographs throughout half-time.

Many people waited until after the game and their patience was rewarded when they were able to get pictures taken with their favorite Bears.

It was a night that will long be remembered by those who attended.



Doug Flutie shows why he's one of the Good News Bears favorite players as he takes time out after the game to sign autographs for the fans.

# "Heaven In Your Eyes"

The 1987 Senior Prom sponsored by the Junior Class was held on May 16, at Mundelien Holiday Inn. The prom planning committee consisted of juniors: Laura Benchick, Heidi Cordina, Heather Foszcz, Kim Gast, Missy Gast, Megan Ferrigan, Valerie Huckstadt, Bonnie Kendra, Beth Mampe, Mollie Morman, Kris Scott, Jill Stueber, and Kerri Theobald. They spent long hours planning the evening and decorating for it. They were sponsored by Dr. John Vierke.

The Theme was "Heaven In Your Eyes." The evening began when the students entered the Holiday Inn and found their tables. They ate their dinner while listening to the music played by the Dancin' Machine. After dinner the prom Queen and King candidates were introduced to the students. This year there was a prom king as well as a prom queen. Each of the queen candidates received a box with a rose in it. Five of the roses were red, and one was white. The girl who had the white rose had been chosen the 1987 Prom Queen. It was then announced who the prom King was. This year's prom Queen was Chris Parry and the prom King was Mike Kazlausky.

The rest of the night the students enjoyed dancing to the music and having fun with their friends.

# Bulldog Defense Dominates Conference

The Grant varsity football team finished tops in the Northwest Suburban Conference with a whopping 9-0 record. Two non-conference teams, McHenry and Jacobs, also felt the wrath of the Bulldogs. All games were exciting, but some that stood out from the others were: the homecoming victory against Lake Zurich by a score of 35-0, winning against arch rival Round Lake, 27-0, and beating last year's conference champions, Marian Central, 20-8.

The defensive line of John Mazur, Tyler Hamm, and Matt Knox played supremely throughout the season. The contain defense, Mitch Myers and Bob Foster, was excellent at stopping the option. The "thud" (Coach Rogowski's nickname for the linebackers because they hit with such force) team of Joe Gore, Brad Frystak, and Bob Siebert was another force to be reckoned with. Along with the secondary, Garry "Bulldog" Glauser, Kevin "Weasel" Frystak, Marc "Superman" Borton, and Mike "Stinger" Kazlausky, the defense forced 32 turnovers, a record of only 17 points scored against them, and 7 shoutouts.

The Grant offense played like pros with 2612 total yards, 129 first downs, and 260 points scored. The offense line of Frank Geu, Randy Rous, and Mark Gallimore, was outstanding along with tackles, Mitch Myers and Jeff Murray, who lead the options. Leading ball handler Kevin Frystak ran for 14 touchdowns, while brother Brad ran for 2. Also contributing to the touchdown department were: Garry Glauser with 4, and wide receiver Mike McDonald with 5. There were 10 players who made the all-conference team: captains Mike Kazlausky, Garry Glauser, and Brad Frystak, Kevin Frystak, Mitch Myers, Mike McDonald, Tyler Hamm, Randy Rous, Mark Gallimore, and Marc Borton. Brad Frystak, most valuable team and defense player, was also voted most valuable player in the conference. This is the first time that Grant had the conference MVP. Other awards were: most valuable offense - Garry Glauser, most valuable offensive line Mark Gallimore, most valuable offensive back - Keven Frystak, most valuable defensive line - Tyler Hamm, most improved - Mitch Myers, and hustler - Mike Kazlausky.

*"We went from the pits to the penthouse."*

In closing, Coach Rogowski had this to say, "In 11 years, we went from the pits to the penthouse, and with juniors Joe Gore, Bob Foster, and Jim McGeever, we will stay in the penthouse."

Brad Frystak's face clearly shows the intense concentration and determination that made him Grant's first conference MVP.

Coach Rogowski's summer practices may have made the difference for the Bulldogs this season.

# Sophs Suffer Frustrating Season

The sophomore football team suffered one of its toughest seasons ever. The team recorded only one conference win and two wins overall. The season started well with a 21-8 win over Jacobs, but then the team lost its next four games. It was a very frustrating year for both coaches and players. Five losses were by only a touchdown or less and a couple of key players were injured. The team did make a good showing against first place Marengo, losing only 12-6. Their one conference victory was over Johnsburg by a score of 8-6. Mike Treacy was named team MVP and Troy Petersen was voted Most improved. Team captain was Brian Kazumura, who was injured most of the season.

"The loss of our team captain caused a lot of arguing among the offense. With no leader, we couldn't play up to our capability," said wide receiver Frank Kratz.

"We had the defense, but we couldn't get the offense going," said Troy Petersen. "Maybe next year."

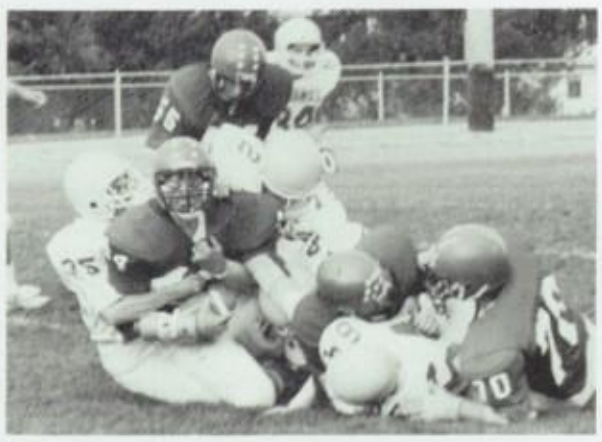
# Freshmen Stay Competitive



The freshman football team finished their season in fifth place with a 3-4 conference record. The team posted a 3-6 record all-around. The season started slow with big losses to Jacobs, McHenry, and Round Lake, but the team quickly got on track, winning their next three games. The more they played as a team the better they performed.

Coach Kruse said the team had a good nucleus, but lacked depth. The team needed discipline and teamwork to contend. The team played every game competitively which is good news for the sophomore coaches.

The freshmen struggled offensively. They scored only 114 points to their opponents' 222. "We had no front line," player Todd Culotta said.

Team honors went to MVP Steve Maiworm, Defensive MVP Keith Endres, and Most Improved Player Rich Muscarello.

The freshmen have a lot of ability and will definitely be a team to contend with in the future years.

# VARSITY VOLLEYBALL "SETS UP" A THIRD

This year's Varsity Girls Volleyball Team had a conference record of 8 and 6, which gave them third in conference. The team's overall record was 11 and 13.

Special honors went to the MVP, Senior Kerry Wilson, All Conference and on the Crystal Lake Tournament-All Tournament Team. Another special honor went to Junior Tammy Loring for making All Conference.

This is Coach Richardson's last year as Grant's head volleyball coach. She has coached volleyball for 11 years and during that time, she has captured Conference once and regionals five times. She says she is resigning because she feels that "having three head positions as a coach is a little too much and I would like to spend more time working with basketball and softball."

Grant's Sophomore Volleyball team, coached by Coach Mauzer, took third place in conference this year. They had an 8 and 6 conference record and a 10 and 9 overall record.

Players Jamie Donovan and Karen Lorenz tied for MVP honors.

A highlight of the season was the game against Wauconda, when the team set a sophomore record for most points scored in one game, which was twenty points. They won that game 20-18.

The 1986 Freshmen Volleyball Team was the best freshmen team Grant has ever had. This team took third in the conference with a conference record of 7 and 5, and an overall record of 11 and 5. The first round of conference games the team was 6 and 0, winning their toughest games against Marian Central and Johnsburg. Then they took an unexplained nosedive and experienced five straight losses. But they pulled it all together to win their last few games. According to Coach Vida, Jackie Brach and Dawn Bayne were this year's most outstanding players, but it took outstanding work by everyone to achieve the record they did.

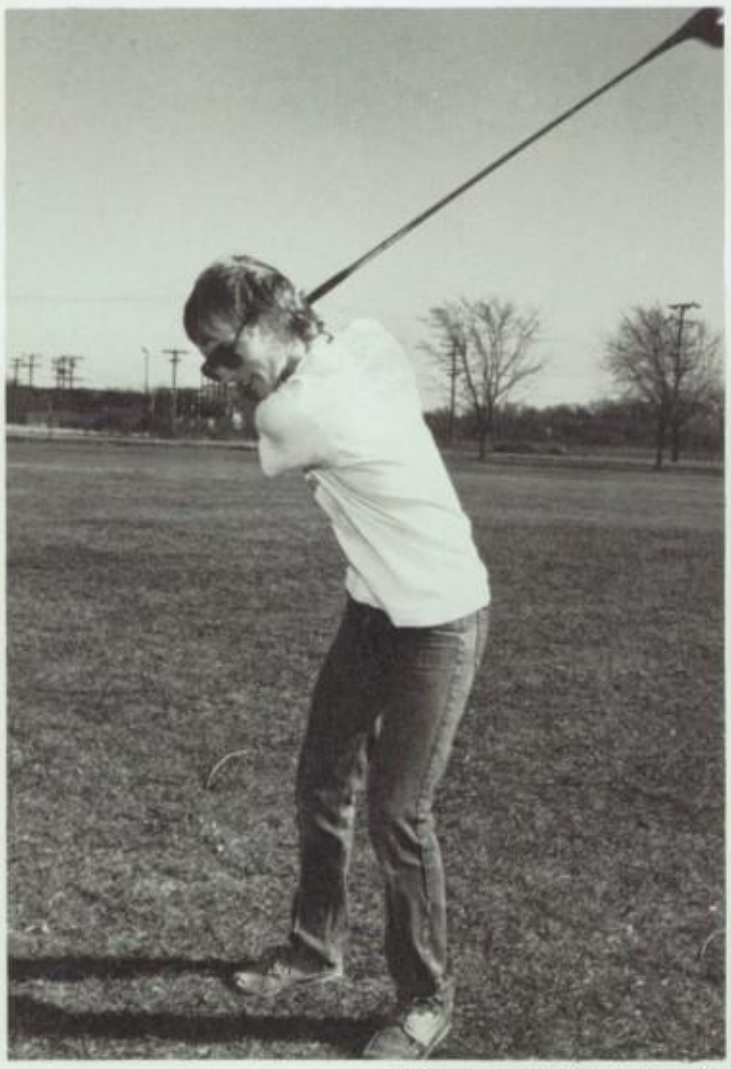
# Varsity Golf Shoots For Conference Title



ABOVE: MVP Jim Theobald led the team to a 7-3 record with his consistent play.

RIGHT: Junior Dave Sparks provided some of the key scores needed to make the golf team victorious.

UPPER RIGHT: Sophomore John Neumann helped power the Bulldogs past teams such as Grayslake.

LOWER RIGHT: Senior Andy Knebelsberger's dedication made him the team's most improved player.

Grant's golf team shocked the NWSC with a 7-3 conference record. The team suffered most of last year, winning only one match, but this year was different. Grant did not lose a home match all season. defending conference champion Grayslake, along with second place Marengo, were both upset at home by the Bulldog golfers. The Bulldogs were tied for first place going in to the conference tournament, but took a fourth place in the tournament, dropping them into a third place conference finish.

"I didn't think they'd win a match all year," Coach Schad said. "I guess they're just a bunch of overachievers."

Jim Theobald played an important part in the Bulldogs' successful season. His consistant play made him MVP for the third straight year. Jim also placed in the conference tournament for the fourth straight year and this year he missed first place by only one stroke.

Another factor in this year's successful showing was the improved play of veterans Andy Knebelsberger and John Neumann. The Junior Varsity did well, too. They defeated Marengo twice and posted a very respectable 8-2 record.

# We're Number One!!!

This year was an exceptional year for cross country. All three teams took first place.

Boys' varsity clinched first with a 5-0 conference record and an 11-0 record all around. This was the boys' fourth straight NWSC championship. Mike Thomas led this year's squad. He was All-Conference, All-County, All-District, and a sectional qualifier. Other All-Conference members were: Troy Rejholec, Brett Herbert, Pete Wach, and Mike Russo. Russo was this year's outstanding freshman. He won three freshman races during the season. Most improved this year was Todd Rejholec.

The girls also placed first this season. They tallied a 5-0 conference record and a 10-1 over all record. Debbie Warden was chosen MVP. She placed first in this year's conference meet and was selected to the academic All-Conference team. Cindy Edwards, Janice Selle, and Jenny Loring were also All-Conference members. Most improved went to Janice Selle, and this year's outstanding freshman was Jenny Loring.

The frosh-soph boys followed suit by also taking first place. This was their fourth straight NWSC championship. They should help carry on the winning tradition as varsity members next season.

A highlight of the season was having the doubles team of Wendy VanZandt and Carol Lyons take 2nd place in conference. Wendy and Carol were doubles partners last year, too, but they didn't do nearly as well. "I'm really glad Carol and I did so much better this year," said Wendy. # Season Good Despite Losses

Despite their 3-4 conference record, Coach Garlanger felt that his team had a good year. According to Garlanger, "Many of our matches had close sets and could have gone either way. Some were three set matches. We simply had more that went the other way this year."

The team's overall record was 4-8. Bill Nasello was named this year's most valuable player, and Adam Taylor was the most improved player.

# Bowling With Our Champs

After 12 years of coaching the Bowling Bulldogs, Mrs. Hoefeldt retired to spend more time with her growing family. This year's bowling team had a new coach, Coach Johnson. He felt the team did much better than he expected them to do. The team ended up with a 6 and 6 conference record. "Any time you win as many matches as you loose, you've had a good season," said Coach Johnson.

The most valuable player this year was Tracy Niewiedzial, and the most improved player was Donna Lejman. Tracy Niewiedzial was also Sectional Champion, qualifying for State. Even in her sophomore year Tracy went downstate. Lori DePouw and Beth Mampe made Academic All Conference.

The team showed a lot of improvement over the season, bowling their best games in the sectional. The Bowling Bulldogs upset the Sectional Champion, Antioch, in regular season duel meet competition.

# Gymnasts "Vault" Through Another Season

This year the varsity gymnastics team which was coached by Mrs. Tobiasz, had a conference record of 2 and 4. The most valubale player this season was Meg Ferrigan and the most improved player was Val Huckstadt.

Meg Ferrigan broke the school record she made last year on vaulting with a 9.0. She also broke the record on the free exercises with a 8.9. Babette Hagen presently holds the school record on the beam with a 8.5.

Five of this year's gymnasts made the All Winter Academic Team: Val Huckstadt, Meg Ferrigan, Erica Jakstazs, Cindy Sullivan, and Renee Angel.

Even though the junior gymnastics team had an over all record of only 3 and 7, it was not a bad season. Coach Vickers felt that all the girls showed a great improvement form the beginning of the season to the end. She said that she would like to see more girls come out for gymnastics. According to Ms. Vickers. "Even though gymnastics is demanding, it does provide a great deal of self-satisfaction and self-fullfillment."

# Varsity Conquers Conference . . . Again!

Once again the varsity wrestlers captured the conference title. They did it in great form with a 7-0 conference record and a 13-9 record over all. The team perfumed well all season.

"I think we did the best we could with the material we had," said coach Rowden.

The closest call for the varsity wrestlers came against Johnsburg, but the varsity prevailed by a score of 28-27. Grant also defeated arch-rival Round Lake by a score of 34-19.

This year's team was very dedicated and well-motivated. Coach Rowden has been putting together winning teams in the past, and this year was no exception. This was the wrestling team's fifth straight conference championship.

Brad Frystak was Grant's only wrestler to advance to the state tournament this season. Brad was regional champ along with Jerry Mazur and John Bakis. Brad was also named to the All-County team. Conference champs this year were: Ryan Geist at 110 pounds, Jerry Mazur at 119, John Mazur at 138, John Bakis at 145, and Brad Frystak at 185 pounds. Needless to say, Brad was named the team's most valuable player.

In tournament matches the team fared quite well. They placed third in the Regional Tournament, third in the County Tournament, second at Glenbrook North, and first in the Conference Tournament.

Individual awards went to the following people: Eric Sutton, most improved; Ervin Domanski, most dedicated; Mitch Myers, "Bulldog"; Eric Sutton, fastest fall; and Brad Frystak, MVP. A special award was given out to Ryan Geist, a freshman, for participating with the varsity team.

# Frosh Fight To Second

The freshman wrestling team finished their season second in the NWSC. They wrestled to a 6-1 conference record and a 10-3 all-around record. The team's only conference loss was to Round Lake by a score of 21-51. Coach Kapraun's wrestlers finished second at the Grayslake freshman tournament, third at Dundee-Crown, and second in the NWSC. The season's biggest win was over Marian Central-72-6. This year's team was led by several outstanding wrestlers, among them were: Tony Pintozzi 14-2; Randy Melton, 14-2; Ryan Geist, 9-1; Tom Zanzola, 13-4; and Paul Swanson, 13-5. Tony Pintozzi was selected as this year's MVP. Paul Swanson was most improved. Ryan Geist was one of the team's most outstanding wrestlers. He moved up to varsity later in the season. This year's "Bulldog" award went to Tom Zanzola. The freshmen were managed by Tad Czechowski.

# Grant Wins Regional To Cap 24-4 Season

The Grant varsity basketball team had an outstanding season. The varsity cagers finished with a record of 24-4 - the best in Lake County. This also ties the record for best record in a season at Grant. Throughout most of the season the Bulldogs were ranked among the Chicago Sun Times "super 25". One main strong point of the team was that they played well at both ends of the court. The offense averaged 66.1 points per game, and the defense held opponents to under 52 points a game. The school record of 109 points scored, which was set against Wauconda, was definitely one of the team's best offensive performances.

In conference play, the Bulldogs were 13-1. This was good enough to win the NWSC outright. The only team to defeat Grant in conference play was Lake Zurich, who did so in a 53-52 double overtime thriller.

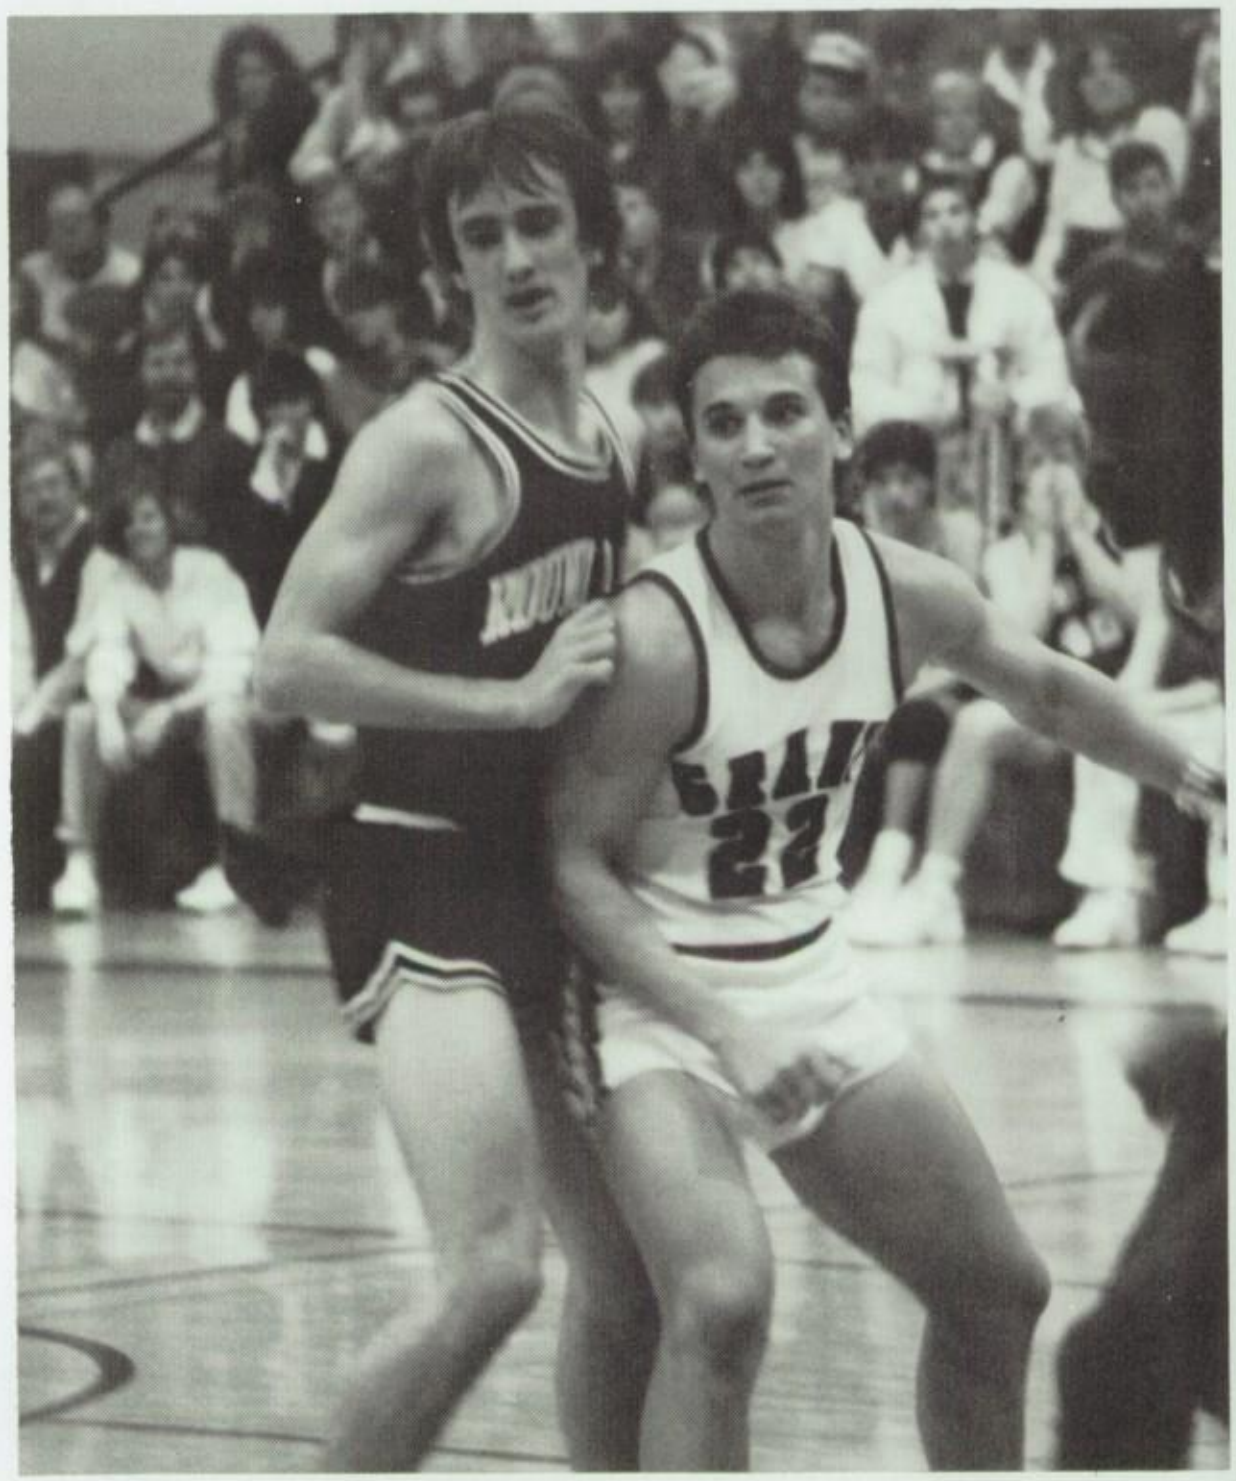
"A season like this doesn't happen by accident," coach Maple repeated. This team was definitely one of the best teams Grant has ever produced. Grant played a tough schedule, too. The Builldogs defeated teams such as Crystal Lake Central and Wheeling, as well as all of the teams in the conference.

The climax of the season was definitely winning the Regional Tournament. A tough Round Lake team took Grant down to the wire, but Grant prevailed 59-53 in two overtimes. The season finally came to a halt with the 59-81 loss to Rockford Boylan in the state Sectional Tournament.

As expected, Grant players received many awards. Don Kiesgen, Ron Richford, Mike Kazlausky, and Mike McDonald were all named to the All-Conference team. Don Kiesgen and Ron Richford were also voted co-MVP's in the NWSC.

As usual, individual awards were given out at the end of the season. They were: Hustler- Mike Kazlausky, Defenisve Award- Mike Kazlausky, Best Free Throw Percentage- Ron Richford, Steals and Deals- Mike McDonald, and Buckets and Boards- Jeff Bieniasz. Jeff was also named as the team's most improved player.

Managers Larry Williams and Mark Ferrigan and announcers Jeff Stillwell and Todd Rejholec, along with all the Pep Club members contributed to the total team effort that made the Bulldogs winners this year.



RIGHT: Mike Kazlausky's hustle and intensity helped pull the team past opponents such as Round Lake in the Regional final.

# Varsity Has Best Year

This year's varsity girl's basketball team had a terrific season. They had their best conference record ever- 11 and 3, taking second in conference.

Because the team is losing only three seniors this year, they are looking forward to another great season next year.

The most improved player was a girl who tried her hardest all season, junior Chris Miller. The most valuable player was a girl who led in rebounds, was the best offensive player, and had the most points, senior Kerry Wilson. Kerry also had a career average of 968 points.

The sophomore girl's basketball team, coached by Miss Mauzer, had a great season. Their conference record was 10 and 4, and their overall record was 12 and 6.

The most valuable player was a girl who was new this year; Noreen Kiesgn, who transferred from Antioch, Noreen was named the best offensive player and she had the most rebounds as well. The most improved player award went to Karen Lorenz, she went out for basketball for the very first time this year.

This was the first year the sophomore team beat Marengo. It was a very exciting season for Coach Mauzer and all the girls.

The freshmen girl's basketball team had a new coach this year, Mr. Anderson. The girls had a good season; they were 7 and 7 overall, and 4 and 6 in conference.

The team didn't have an MVP this year, but they did have the best rebounder and top scorer, Amy Nelson. The most improved player on the freshmen team was Rita Sickles.

Coach Anderson felt that the team played its best defensive game against Johnsburg, holding them to only 14 points. Their best offensive game was against Dundee Crown, they scored 40 points in only three quarters.

VARSITY FIRST ROW: Cari VanSickle, Dawn Miller, Bonnie Kendra, Joanna Chan. ROW 2: Kerry Wilson, Jill Stueber, Rhonda Melton, Tammy Loring. ROW 3: Coach Richardson, Chris Miller, Stacy Starostovic, Kathy Twarowski, Marie Robinson, Manager. NOT PICTURED: Manager Toni Robinson. # Grant Trackers Take Second In Conference

This year's track team took second in conference. Their conference record was 5 and 2, and their overall record was 8 and 3. The most valuable runners were Debbie Warden and Tammy Lorenz, and the most improved runner was Cindy Edwards.

There were two conference champions. They were Debbie Warden in the two mile run and in the one mile run, and Cindy Edwards in the half mile run.

Coach Jelinek felt that even though the team was small, it had extremely high-quality atheletes. Because of the small size of the team, the coaches were able to spend more time working with individuals on their events. The 17 girls were able to finish second in the conference meet.

# 1987 Track Team Has Record Breaking Year

The Bulldog track team had an outstanding year. They were undefeated in conference play, posting a 7-0 record. On their way to that record, they broke five school records and had 19 people qualify for all-conference performances.

Coach Spazovich named three things that he felt were the keys to the team's success. They were: 1. overcoming injuries to key team members 2. a willingness to sacrifice personal goals for the good of the team. 3. responding to every challenge by an opponent with peak performances.

MVP honors were shared by Randy Nelson and Joe Wach. Sean Redman was named MIP, and Pete Wach was recognized for Best Hustle. The 1987 record breakers and the records they broke were as follows:

3200m Relay 8:15.1 Jeff Bieniasz, Tod Rejholec, Troy Rejholec, Mike Thomas
1600m Relay 3:32.7 Jeff Bieniasz, Randy Nelson, Troy Rejholec, Pete Wach

# Varsity Slams Its Way To Conference First

This year's varsity baseball team were conference champions. Their conference record was 12 and 2, and their overall record was 22 and 10, which is terrific. There were two most valuable players this year - Mike Kazlausky and Joe Vocke. The most improved player was Bob Beskow.

Mike Kazlausky was MVP of the conference for the second season in a row. He also made the Chicagoland All-Area Team and the All-State Team. In addition to that, he was named All-County and All-Conference. Mike set four individual records this year. They were: highest batting average, with 527; most runs scored, 53; most hits, 58; and 7 triples.

Joe Vocke was also an All-County player as well as an All-Conference pitcher. His six home runs this year broke the home run record. Mike McDonald was another All-County player and All-Conference outfielder. Other All-Conference players were Marc Borton, catcher, and Jim Theobald, second baseman.

Coach Kazlausky feels that an especially good game was the one against Marian Central when the Bulldogs beat Marian 13-0 to clinch the conference title. "Everyone played well," he said.

# SOPHOMORES SHINE DESPITE SLOW START

Though they lost their first six conference games this year, the sophomores rebounded and won six of their last eight games. Their last game was against this year's conference champs, Lake Zurich. In that game, Lake Zurich had to go 11 innings before edging past the Bulldogs 7-6. The team's overall record was 12-17, and its conference record was 6-8.

The leading hitters for the team were: Mark Misiek - .438, Jon Appel - .365, Jeff Pett - .352, Dan Matthews - .319, and Dave Portalski - .306. The pitchers were: Jon Appel, Vern Christopher, Jeff Pett, Jim Timblin.

The softball, volleyball and basketball teams were saddened by the untimely death of their manager for the past two years, Toni Robinson. Toni wasn't able to play because of a physical disability, but according to Ms. Richardson, "She was truly a member of the teams in spirit. She loved being a manager, and was dedicated, loyal, and dependable, encouraging and supporting the girls. She will be remembered and missed by all of us."

# Regional Champs

This year's varsity softball team had a terrific season. Their conference record was 9 and 5, and their overall record was 14 and 8.

This team had a lot to be proud of. First, they were their regional champs. They defeated Waukegan East in regionals then Round Lake for the first time this year, and then Warren. From regionals they went to sectionals in New Trier. There they played Mundelein, but lost 1-4. Coach Richardson felt this game was one of the best defensive games played all season.

This softball team had four outstanding all conference players: Tammy Loring, Becky Brace, Kerry Wilson, and Cari VanSickle. Tammy Loring and Cari VanSickle also were chosen for the All-County team.

# Second In Conference

The 1987 Frosh-soph softball team once again had another great season. Their conference record was 11 and 3, and their overall record was 14 and 5. Those three losses in conference were the first three losses in three completed years, which isn't bad at all. Each of those games was only lost by one or two runs.

The captains this year were Jamie Donovan and Lesley Mroz. Jamie was also named the most valuable player. The most improved players were Denise Barr and Annette Dember.

Four girls from this team helped the varsity team in regionals and sectionals. They were freshman Linda Brace and sophomores Jamie Donovan, Lesley Mroz, and Char Raynor.

# Spirit "Kicks-Up" Among Cheerleaders

At the beginning of the football season, there were six cheerleaders, but by the end of the season there were only four. Fortunately, those four were filled with enough enthusiasm and spirit for six.

When basketball time came, the cheerleaders had three new additions: Lisa Opland, Maureen Hoppe and Nikki Kendra.

Under the direction and guidance of their new advisor, Miss Prendergast, the girls worked hard to perfect their routines and to provide the Freshmen teams with enthusiastic support.

As the 1986-87 wrestling season ended, so did wrestling cheerleading. This year's squad was not without its troubles. Five girls down to two, up to four, back to two, and finally, according to Miss Vickers, "A gift from Santa. The end of the Christmas break brought a full squad of six."

When asked about the squad, sponsor Miss Vickers said, "The squad this year was one in a million. With all the enthusiasm and support they had, not only for the team, but for each other, it makes it hard not to have wrestling cheerleaders next year." She concluded her remarks with a comment directed to her squad, "Thanks for the memories --- you are *all* truly number *1*!!"

# Come Blow Your Horn

The Grant marching band was busier than usual this year. Besides playing or playing and marching at all home games, the band was in demand for several community affairs. For example, the members played at the Grand Opening of the Fox Lake Community Center, at the opening of Andre's Restaurant, and at the Holiday Park Winter Concert. They also marched in the Homecoming and the Fox Lake Christmas parades. According to Mr. Ring, the band performed 34 times this year. Although there were 54 band members, sometimes only 35 were able to attend an extra concert because of previous commitments. "This is understandable," said Mr. Ring. "It's usually the better students who are involved with band, and this is the kind of student who is often involved in many other activities - sports, jobs, etc. Sometimes this presents a problem when the band performs extra concerts, especially ones that come up on short notice." He concluded by saying that, "In most cases the kids, as individuals, improved a great deal during the year."

# The *Jazz Band*

The Jazz Band is made up of the top band students who are selected by Mr. Ring. In addition to performing at the annual Christmas and Spring Concerts, the Jazz Band made several appearances at community functions throughout the year. Band members received new uniforms this year, allowing them to look every bit as impressive as they sounded.

Members of the Acappella Choir present two concerts during the school year, the Christmas concert and the Spring concert. Both concerts were given in conjunction with the Grant Band, and were very successful this year. The other major project that kept choir members busy was their involvement in the school musical. This year the musical was "Grease", and all the members of the choir participated in it. Students worked for over two months to prepare the play, which was a huge success.

**ACAPPELLA CHOIR OFFICERS** LEFT: Tina Arnold, Librarian; Dana Sprague, President; Jana Lombardo, Treasurer; Pam O'Mary, Secretary; Carrie Putman, Senior Representative; John Roever, Ass't Librarian; Kathy Hilgart, Vice President.

Mr. Ring selects the Swing Choir members from the top chorus students. This year the group was especially busy performing at various community functions. These performances were for the following groups/occasions: Chamber of Commerce luncheon at Holiday Park, Chamber of Commerce Christmas Party for needy children at Holiday Park, Lake and McHenry County Superintendent's Dinner at Marvella's, Moose Lunch, Lion's Club Dinner, Big Hollow Art Fair, Fox Lake Women's Club Christmas Lunch.

The purpose of the Speech Club is to produce a fall play and to prepare individual students for participation in speech contests. This year the club, under the direction of Mrs. Garlanger, put on "The Mouse that Roared." (See pages 40-41)

Only three club members were involved in speech contests this year. They were John Roever, Jeff Perkey, and Pam Preece. John's category was verse reading and Jeff and Pam were involved in dramatic duet acting. Mrs. Garlanger took these students to contests held at Oak Park River Forest High School, Antioch High School, and Buffalo Grove High School. Mrs. Garlanger said that she was very proud of the job they all did, but that John Roever was the most successful this year. He distinguished himself by getting into the final round of district competition.

# POM PON GIRLS SHAKE TO FIRST

The Pom-Pon squad began their year at NCA summer camp during the last week of July where they won a first place trophy in their hometown routine. They also won a spirit stick and many other first place ribbons in individual competition. They were sponsored by Mrs. Kathy Spalding, who worked with the girls for the first time this year. Co-captains Besty Miller and Kelly McNally worked hard to choreograph many original routines which were performed at all home football and basketball games and pep assemblies. Besides these activities they also sponsored a very successful Halloween dance. The Pom-Pon girl's season is twice as long as the Cheerleaders' season, and they learned a lot about working as a group.

Their squad was cut from twenty girls to seventeen by the season's end. Overall this was a great season for the 1986-87 Pom-Pon squad.

# GRANT'S FIRST FLAG GIRLS

This was the first year that Grant has had a flag corps. Mrs. Spalding sponsored the group, and this was a new experience for her, too. Although she had experience marching with a band, she did not have previous experience with a flag corps. She prepared herself for the year, however, by getting special instruction on coaching a flag corps.

The girls marched with the band at all home football games, adding color and drama to the half time performances. According to Mrs. Spalding, they worked very hard to prepare themselves for those performances. They practiced three times a week after school, and came back evenings to practice on the field with the band. "I'm proud of what the girls accomplished this year," said Mrs. Spalding. "I think they did very well for their first year."

# Trumpeter 1986-87

What this year's staff lacked in numbers, they more than made up for in enthusiasm and dedication. The group attended two yearbook workshops where they had an opportunity to attend lectures on the latest trends in yearbook production, to look through award-winning books from all over the country, and to exchange ideas with other staffs. At the Honors Program, Erica Jakstas and Julie Good, who worked as a team, were presented with the Yearbook Awards. According to Mrs. Costoff, it was very difficult to select the winners because, "The entire staff did an excellent job." Because this was Mrs. Costoff's first year as yearbook advisor and because the staff did some new and different things, the book was a little late in getting done. But the staff all hopes you agree that it was worth waiting for!

# SCHOOL PAPER - THE BARK

The Bark was published eight times this year. It featured spot color and a greater use of pictures than was possible in past years. The really big news for the paper was the mid-term arrival of the Apple II computer, which allowed both the Bark and yearbook staffs to work more efficiently.

Students on the staff gained experience in soliciting ads, interviewing, and writing and editing articles for publication. They were occasionally aided in their efforts by students in Mrs. Costoff's Journalism class, who contributed a variety of articles.

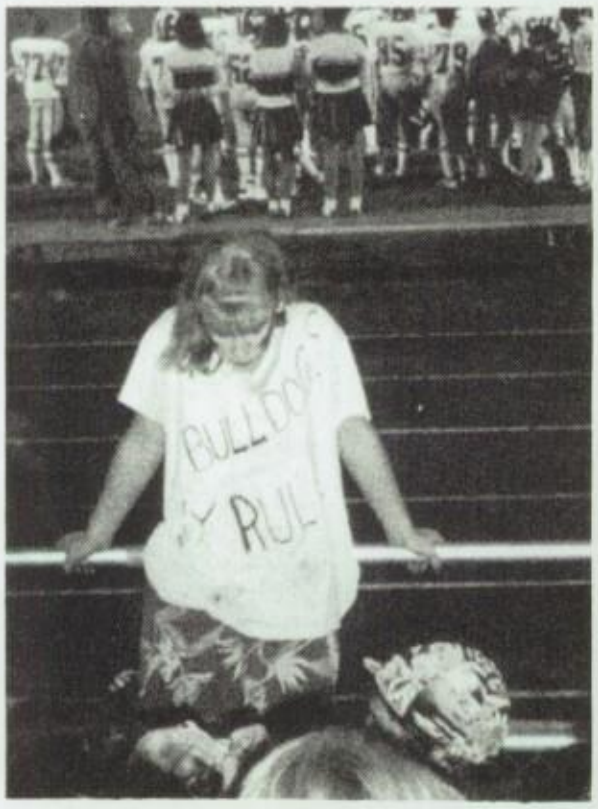
# BULLDOG BACKERS BRING

"ALL THE WAY TO STATE" was the message that was displayed on this sign. The Bulldog Backers made it before the regional football game against Lake Forest.



Bulldog Backer Cari VanSickle kept everyone's spirits high during the Round Lake game as well as many others.

The varsity football players were thanked by their parents and many others at "Parents Night."

One of the first signs made traveled to Round Lake and watched the mighty Bulldogs beat the Panthers by a score of 27-0!

The varsity bulldogs enjoy their moment in the spot light while they break through the sign made for the Panther game.

New to Grant this year was the pep club which called itself the Bulldog Backers. The group was organized by Ms. Vickers, and quickly boasted a membership of over fifty students. In no time they were almost flooding the schools with reminders that the spirit was truly back at Grant. The members made "No Panther" buttons for that first big game against arch rivals Round Lake. Students never had a reason for not knowing when and where the next sports event was because the Backers posted signs everywhere, giving that information. They decorated the lockers for many of the girls' sports, and they sported Bulldog Backers sweatshirts. Extra color was added to the stands by the many pennants fans bought from the Bulldog Backers. But many agree that their most spectacular and exciting additions to the spirit of the year were the huge run-through signs that they made for many of the football games and rousing pep sessions. Later on in the year the club ran the concessions stand at all home basketball games.

Yes, the Bulldog Backers did a lot to add a spirited look to the school, but the most important thing they did was spark a real feeling of spirit.

TEAMS is an acronym for Test of Engineering Aptitude, Mathematics, and Science. It is an academic competition for secondary school students which is held once a year. Students are selected to be part of TEAMS according to general aptitude, class performance, and teacher recommendation.

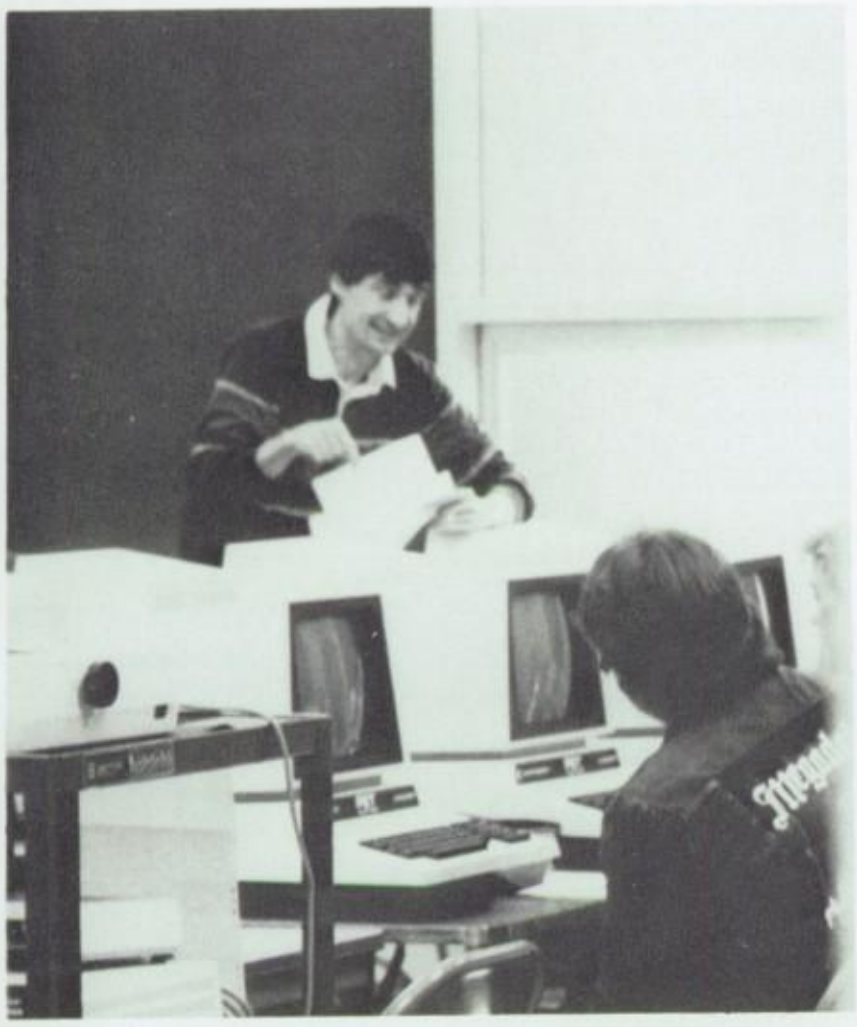
This year the competition was held at the College of Lake County, with eighteen Lake County high schools competing. These schools were divided into two groups according to size. Grant was placed in Division II for small schools and competed directly against Grayslake High School, Lake Forest Academy, Lake Forest High School, Lake Zurich High School, Mundelein High School, North Chicago High School, and Waukegan High School.

Each student competed in the following two subject areas: Tamie Trainer, Math and Physics; Tammy Loring, Math and English; Maureen Kavich, Physics and Graphics; Debbie Warden, Physics and Graphics; Valerie Huckstadt, Graphics and Biology; Sheri Mullin, Math and English; Beth Mampe, Math and Graphics; Lisa Brothers, Chemistry and Biology; Mike Thomas, Chemistry and English; Lori DePauw, Biology and Computer;

Mr. Seiler, who co-sponsors TEAMS along with Mrs. Corey, helps a student with a homework problem.

Kathleen Twarowski, Chemistry and English; Ron Nagel, Chemistry and Biology; Dan Pawlak, Physics and Computer. Tammy Loring had the highest score for the Grant team this year and was the team medalist.

# COMPUTER CLUB



The Computer Club is made up of students who have a special interest in computers. Under the supervision of Mr. Spasojevich, they pursue their interest for both fun and learning.

For the past two years, members of the club have sold disketts to raise money for the purchase of a Video Digitizer. This year their plan became a reality and the machine was purchased, providing them with hours of learning and fun. The machine is able to store a face or picture for display or for future use. These pictures can be altered in many ways. The club plans to put the machine to good use next year by using it to make iron-ons of people's faces for T-shirts. Selling those T-shirts will be their next project for fun and money.

Mr. Spasojevich points out some important information to his computer kids.

# STUDENT COUNCIL SERVES

The Student Council, which is made up of representatives from each class, is active and involved all year long. Some of its activities are social, but many of them are service-oriented.

It welcomes new students in September by sponsoring the Freshman Welcome Dance. As soon as that is over, the council members are busy planning Homecoming and all of its related activities - window painting, fireworks, the Powder Puff game, the parade, and the dance. Not only does the council plan everything, but it also pays for everything. Homecoming expenses are about $2,000-$2500 annually. The members raise some of this money with various projects, but they also get much of the money by soliciting funds from local businessmen. Student Council also sponsored the Fall Dance and the Valentine's Day Dance this year.

The Council was especially busy with service activities this year. It again sponsored fall and spring blood drives, and it adopted the new Fox Lake Community Center as its special project. Besides donating time and energy to work on various park projects, the council members sponsored a talent show and donated all the proceeds from the show to the Community Center. When the Grant Teacher's Union had its faculty auction to raise money for the scholarship fund, the Student Council helped out again. Several members donated an afternoon of yard work, and the faculty was able to auction off this service for $100. Around the Christmas holidays, the Student Council was busy on a couple of projects. First, they sponsored the annual canned food drive and collected a record number of cans. They also mixed pleasure with work to raise $100 for the *News Sun* Help them to Hope Fund. This money was raised when the group went caroling for an evening and collected money for their efforts along the way.

It is the Student Council that sponsored the annual Student Government Day and all related activities. This year, an addition to those activities was a picnic lunch at the Community Center that the members hosted for all the Fox Lake village employees and officials.

The Student Council is also involved with other schools and council members around the country. Members are sent to all conference sponsored workshops, and this year four students attended the State Student Council Conference at St. Louis, Missouri. They also sponsored an exchange with Antioch students for one day, and Antioch students attended classes at Grant while Grant students attended Antioch. Grayslake students hosted Grant Student Council members after one of the many sports contests between the two schools. Council members wound up the year by hosting Grayslake and Wauconda students for an afternoon on the Island Queen.

According to sponsor Mr. Scott, next year promises to be even more active for the group. As part of the Homecoming activities, the Council is going to sponsor something new - the Mr. G.C.H.S. Contest. He adds that its going to be an event to remember.

# Students Against Drunk Drivers

According to sponsor Mr. Scott, "The purpose of S.A.D.D. is to promote the safe and alcohol-free driving of motor vehicles." He stressed that the main emphasis of the club is not anti-alcohol, but anti-drinking and driving.

This year the club sponsored a program by Lake County Coronor, Mrs. Barbara Richardson. Mrs. Richardson's program concentrated on the tragic human cost of drunk driving. Her slide presentation took the students from the bloody scenes of accidents to her office, where blood is drawn from accident victims to determine the toxic level of their blood.

Just before graduation, S.A.D.D. also sponsored a talk by the Chief Judge of the 19th Curcit Court. The judge's speech focused on the legal ramifications of drunk driving.

S.A.D.D. members raised money by sponsoring a dance this year, and they used some of that money to purchase a S.A.D.D. chapter flag, which they presented to the school. They also used the money to send members to a leadership conference at the College of Lake County and to six other workshops.

S.A.D.D. meets monthly at 7:45 and welcomes new members.

## . . . Has Giving Spirit!

Habla Espanol? Parlez-vous Francais? If so, you've probably considered Grant's International Club, or maybe you already have. Actually, club membership is not limited to foreign language students; anyone can join as long as he is willing to attend the meetings and participate in club activities.

The International Club is under the sponsorship of Mrs. Allen, and is being lead this year by officers Denise Napier-President, Renee Palma-Vice President, John Amedio-Secretary, and Michelle Robinson-Treasurer. It is truly a club with a conscience. Much of its fund raising is done to help people in foreign lands who are much less fortunate than those of us in the United States.

The members began the year by sponsoring a little girl in Sri Lanka, an island near Asia. As sponsors, the club send approximately $100 to her each year. This money not only helps buy food and clothing for her, but also helps the village pay for schooling, health care, and other essential things.

The club also helped a Greek foreign exchange student find a home while in America.

Their most recent fund raiser was undertaken to raise money so that they could join Amnesty International. Amnesty International is an organization that helps free "prisoners of conscience" around the world, people who are imprisoned for political or religious beliefs that conflict with their country's.

International Club Officers: LEFT: Denise Napier, President; John Amedio, Secretary; Michelle Robinson, Treasurer. NOT PICTURED: Renee Palma, Vice President

International Club members also like to have fun, and for the Homecoming parade, they built a float and dressed as people from different countries. They took a trip to the annual folk fair in Milwaukee. While there, members had a chance to sample food, culture, artwork, music, and natural costumes of almost every country from around the world. The members found the fair very exciting. According to Jennifer Barrons, "It gave people a chance to experience every country." Renee Palma had been to the fair before, but said that she returned because, "It was fun and very interesing."

# Tennis Club Promotes Play

This Tennis Club is one of the most active clubs in the school. Its purpose is to promote tennis, and it goes a long way in accomplishing this goal. The members do so by successfully raising thousands of dollars every year through their fall and spring candy sales. Club sponsor Mr. Garlanger offers the members terrific incentives for selling their candy. Depending on how much candy they sell, members can win an $85 tennis racket, a membership and entry fees for leagues at Lakeland Tennis Club, or full sponsorship at a tennis camp over the summer.

Besides all the prizes that the club presents to top money raisers, it also buys extra supplies for the tennis team. It has brought two ball machines that mechanically pitch tennis balls, special water jugs for each player, new shirts for everyone on the team, and a stringing machine. The club has even brought its own video equipment.

The group attends two tennis tournaments every year, the Virginia Slims in the fall and the Volo Classic in the spring. They also host their own tournament twice a year. In the fall they sponsor a mixed doubles tournament where the participants can pick their own partners. The mixed doubles tournament that they sponsor in the spring, however, is an open draw.

Mr. Garlanger planned to organize regular tennis play over the summer for all interested members so they could stay in condition and continue to improve their games. When he was asked if he had anything further to say about the club, his only comment was, "Play tennis!"

# Klusendorf Happy At Grant

This was Dr. Klusendorf's second year at Grant. When asked his feelings about working here, Dr. Klusendorf replied "I enjoy it. I enjoy the Grant community, and in particular, working with Grant students." Dr. Klusendorf believes that having winning teams in so many sports has helped school pride improve greatly. This year Dr. Klusendorf signed a contract to continue working at Grant until 1990.

Since his arrival, Dr. Klusendorf has been instrumental in the development of an honor flag and a new decoration in the Commons. By working with the staff and the students, he wants to continue to build on a sound educational program.

Dr. Klusendorf plans to continue to strive to provide the appropriate opportunity for the students to learn. He wants to impress upon the students the idea that education is a lifelong process. Dr. Klusendorf has made many helpful changes at Grant, and has plans for many more.

## Departmental Reorganization At Grant

One of the first major changes Dr. Klusendorf made upon coming to Grant was to reorganize the instructional areas. Previously, each discipline had its own department head. With reorganization, related disciplines were clustered under one head. For example, the English, Foreign Language, Music, and Social Sciences departments now make up the Humanities division, and the Business, Industrial Arts, Art, and Home Economics Departments make up the Career and Occupations division.

According to Dr. Klusendorf, "The goal of the school is to provide equity of opportunity to enhance the potential of the student learner." He feels that the school is the educational, social, cultural and recreational center of the community. Because of this, he believes that, "It is the job of the new administrative staff members to be concerned with the responsibility of instruction that is school and community related."

# Auction A Success

Many of the parents who attended Back to School Night stayed to take part in the first teacher's auction. Planned to help raise money for the Grant Scholarship Fund, the auction was a huge success, netting $1181.00. For weeks before the big night, teachers were bringing in items for auctioning, and Bud Scott was busy on the phone, contacting local businesses and soliciting their support. Many of them responded and helped out by donating items to be auctioned off. All items were cleaned if necessary, and then carded and stored by Mr. Robinson and Mr. Anderson. But it wasn't just material things that were donated. Members of the Student Council participated by offering several hours of free yard work and Mr. Kazlausky donated a week's vacation at his cabin in Minnesota.

The auctioneer for the event was Mr. Bill Obenauf, the husband of teacher Mrs. Mary Lou Obenauf. Helping him were Mr. Lee Neuroth, who acted as clerk and also donated his time, and Mrs. Obenauf, who cashiered.

According to Mr. Anderson, the teachers were very pleased with the results, and did better than they thought they would for the first time.

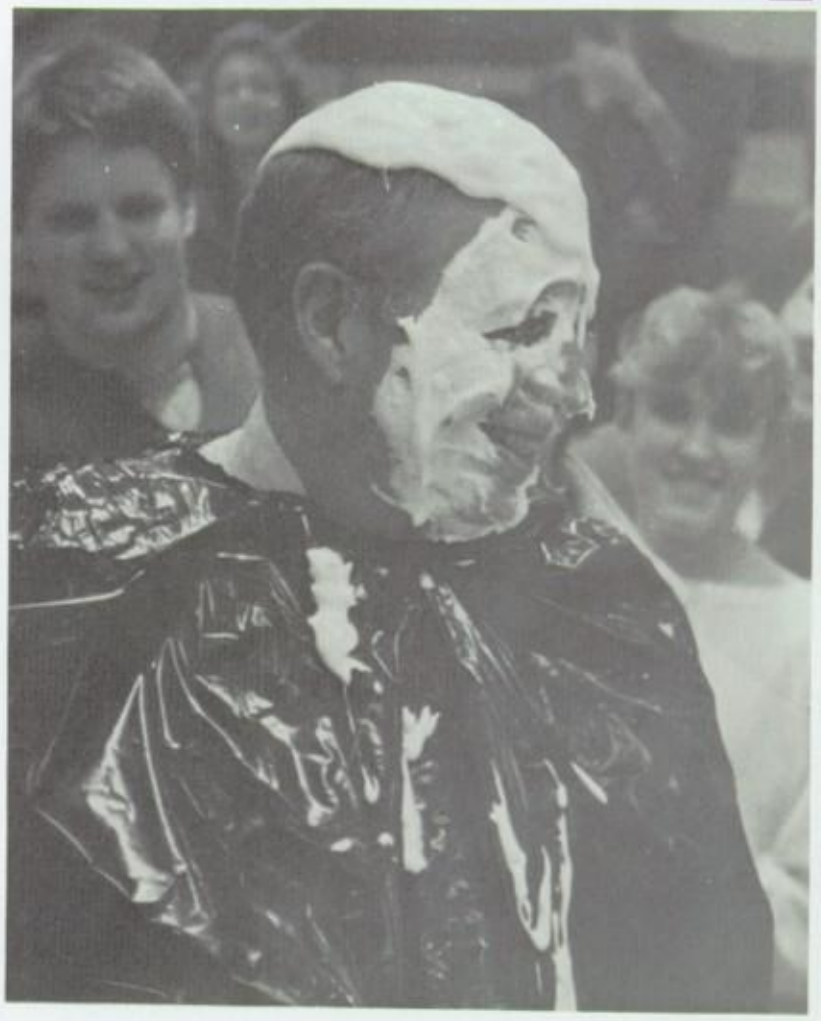
In addition to her many responsibilities as both a teacher and an administrator, Dr. Vida managed to find time to coach the freshman volleyball team. Here she explains team strategy to her girls during the half time break of their game with Wauconda.



Mr. Bud Scott smiles good-naturedly, despite the fact that he has just had several pies thrown in his face. He set himself up for this dubious honor by pledging that if Grant students brought in more than 6,000 cans of food by the deadline of the canned food drive, the biggest donors could throw pies in his face. At the time that Mr. Scott made this announcement, the food drive was lagging behind last year's record of 5,700 cans, with only one more day left in the campaign. The student body responded almost immediately to this incentive. Within the next 24 hours enough cans were brought in to exceed even the 6,000 mark, and a new record of 6,207 was set. True to his word, Mr. Scot wasted no time in arranging the big payoff!

# FACULTY MEMBERS HONORED FOR TEACHING EXCELLENCE

ABOVE MIDDLE: Mrs. Hazel Fish accepts her award from Dr. Klusendorf at the Honors Night Program.
ABOVE: Mr. John Seiler helps senior Mitch Myers on a physics problem.

Grant honored two teachers at the Honors Night Program, and Dr. Klusendorf presented them with the "G" award for outstanding teaching. There to receive her award was a surprised Mrs. Fish. Dr. Klusendorf told the audience that Mrs. Fish, who served as the co-chairperson of the language arts department for several years, has spent many summers traveling throughout England to enhance her teaching of English literature. He also stated that she has received many letters of gratitude from Grant graduates who found that they were well-prepared for college composition and literature courses, thanks to Mrs. Fish's expert teaching. Mrs. Fish has also served as an administrator of area spelling contests and has sponsored the Grant Spelling team. "Mrs. Fish," said Dr. Klusendorf, "is an excellent teacher and an avid scholar."

Unfortunately, Mr. Seiler wasn't able to be a the awards ceremony as he was teaching his night class in physics at the College of Lake County. Mr. Seiler, who holds a bachelor's degree in physics from NIU, received his master's degree in physics from Purdue University. Last summer Mr. Seiler took part in the Fermi Lab Summer Science Program. He was also nominated as a candidate for participation in the academy of educators, a program of the Foundation for Excellence in Teaching at Evanston, Il.

| Jacqueline Roever | Secretary - Attendance |

Also serving an office function, though not in residence, is Mrs. Joyce Matthei, who acts as School treasurer.

There was a new face in the front office this year. Mrs. Loffredo was transferred to Guidance, and she was replaced by Mrs. Susan Williams, who said she really enjoyed working at Grant. "I think the main reason I did was because it was fun being around all the students," said Mrs. Williams.

Also new this year was Mrs. Laurie Jensen, who replaced Mrs. Roever in the attendance office when she resigned at mid-term.

**OFFICE STAFF** FRONT ROW: Mrs. Susan Williams, Mrs. Charlene Manusos, Mrs. Rosalie Loffredo. ROW 2: Mrs. Sharon Burr, Mrs. Jacqueline Roever, Mrs. Betty Callaby, Mrs. Margaret Erdman. NOT PICTURED: Mrs. Laurie Jensen

The cafeteria ladies shared their kitchen this year with Mr. Robinson, auto and shop teacher. Here he proves that the kitchen is not just a place for women as he prepares to show them the proper way to make his speciality, peanut brittle.

**CAFETERIA STAFF** FRONT ROW: Mrs. Lillian Kazlausky, Mrs. Bonnie L'Abbe, Mrs. Luana Kratz, Mrs. Jacqueline Pierce. ROW 2: Mrs. Peggy Jilly, cafeteria manager, Mrs. Janet Goscinski, Mrs. Jean Bryant.

# CUSTODIANS and BUS DRIVERS

LEFT: **CUSTODIAN STAFF** FRONT: Mr. Ted Matthei, Supervisor Supportive Services. ROW 2: Mr. Dan Harringon, Mr. Norm Uselton, Head Custodian, Mr. Tim Jackson, Mr. Les Kovach. ROW 3: Mr. Bob Peters, Mr. John Werkman, Mr. Glen Guy, Mr. Tim Weidemen, Mr. Charles Guthrey, Mr. Nick Miller. NOT PICTURED: Mr. Goyd Helland, who retired April 1, and Mr. Dan Khonke.

LOWER LEFT: **BUS DRIVERS** FRONT ROW: Mrs. Diane Kiesgen, Mrs. Linda Drews. ROW 2: Mr. Robert Chandler, Mrs. Chris Miller, Mrs. Joyce Matthei. ROW 3: Mrs. Nancy Kabalanza, Mrs. Debbie Carole.

It's a 24-hour job for the custodial staff to maintain the facilities at Grant. There are three full shifts of men working, literally around the clock, to do all the work that is required. As the Supervisor of Supportive Services, Mr. Ted Matthei is in charge of all building and grounds maintenance and transportation. Mr. Matthei spoke very highly of his staff, giving special recognition to Mr. Norm Uselton, Head Custodian, who does an excellent job on the interior and in taking care of janitorial preparation and cleanup for all inside activities. Mr. Matthei also praised Mr. Nick Miller, who is in charge of all of the outside services. It is his job to take care of the athletic fields, and he does an excellent job. Taking care of the football fields was especially challenging this past fall because of the almost constant rain. According to Mr. Matthei, baseball diamonds require a great deal of work, and Mr. Miller does an outstanding job. As a matter of fact, he has received special recognition on many occasions from both the baseball and softball teams for his work.

# Student Help

One way of getting out of study hall that was popular with students this year was becoming a student aid. Having a job as a student aid has other advantages, too. For example, the cafeteria aids are given free lunches, and they can listen to the juke box *almost* as loud as they want.

Many of the students who worked as aids seemed to really enjoy their jobs. In the process of using their free time productively and helping out, they often learned new and useful skills or information.

Whew, we've made it another year-upperclassmen at last! Three down and one to go. Junior year was definitly one to remember. A tradition was broken when the junior class beat out the seniors and took first place with its Homecoming float. By now most of us had our driver's licenses and cars and crusing was a common pasttime. But along with driving went a need for money- money for gas, insurance, car payments, and all those good times our cars took to us. So alot of time was spent at part-time jobs. Jerry's Parkway, Pik Kwik, Burger King, and Baskin Robbin's were a few of the places juniors could be found working. Hangouts, like McGreevie's, Kristoff's, Cirkus and Burger King were more spread out, which made getting home by curfew a real trick. It's been a pretty busy and exciting year, but there was still time.

LEFT: CLOCKWISE FROM LEFT FRONT: Kerri Theobald, Treasurer; Dr. Vierke, Sponsor; Jim McGeever, Vice President; Meg Ferrigan, Secretary; Monica Lupo, President.
BELOW LEFT: After a week of hard work and dedication, the Junior Class transformed a flatbed into this first place Homecoming float.

# WAY TO GO '89!

One of the first joys that came with being a sophomore was knowing that we were no longer "little freshman." One more year and we'd be upperclassmen!

Although pressure was still put upon us by the juniors and seniors, the class of 1989 accomplished many things. Joe Wach and Matt Knox fought for victory on the varsity football team and our Homecoming float placed second in the float-building competition. Classmates Kip Paul and Lisa Ravenscraft were selected as this year's school mascots-the first since 1977.

Along with the excitement of becoming a sophomore also came the drudgery of required classes. Besides biology and sophomore composition, there was speech-a class in which one received many opportunities to stand before his classmates and make a complete fool of himself. Drivers ed was also available to those who were of age.

The class of 1989 will not only remember their sophomore year as being one of the craziest so far, but also one of the most enjoyable. Way to go '89!!

## In Memory Of . . .

Mark D. Warden
March 14, 1971-June 30, 1986

The hot, sunny days of the summer of '86 were darkened for many when they learned of the death of a beloved friend. Mark Warden was well-liked by those who knew him, and he always wanted to get involved. He participated in Freshman football as well as many other activities.

The students at Grant will remember Mark for his pleasant personality and for his accomplishments. Most will agree that he was a leader, and was always willing to give it a shot . . . perhaps, too willing. Mark is no longer with us, but he will remain with us in our hearts.

Our freshman year was a time for new experiences- a time to broaden our horizons and develop new goals.

After we adjusted to new activities, classes, and schedules and finally learned our locker combinations, we began to settle in. We made new friends, attended basketball and football games, and went to dances. We got later curfews and more freedom. We learned what high school life was all about. Then before we knew it, the end of the year was upon us.

Congratulations class of '90 for successfully completing your freshman year!

# MAYOR HOPPER

RIGHT: Under the direction of Eric Ullberg, firemen Knebelsberger and Hoffman control the fire set in back of Curly's Marina.
FAR RIGHT: Fire Chief Joanne Hawkins looks on as her men battle the roaring flames.

Grant is the only school in the area that still holds a student government day. This year, student government day had two parties, F.I.S.T. (Freedom In Schools Today) and D.O.N.K.E.Y. (Democracy Organizing Necessary Knowledge for Enterprising Youth).

This year the F.I.S.T. party prevailed. The mayor was Jeff Hopper, the villiage clerk was Lori Cook, and the trustees were Pam McClellan, Samantha Rowden, Joanne Hawkins, Tracy Gilbert, Carolyn Datlovsky, Jon Ferrigan, and Brad Freund.

The losing D.O.N.K.E.Y. party consisted of mayor Rich Sundland, villiage clerk Don Keisgen, and trustees Mike McDonald, Garry Glauser, Todd Soucy, Kevin Fystak, Heather Henderson, and Ryan Giest.

The day began with the participants gathering in the auditorium, where Mr. Scott told everyone the agenda for the day. Then, everyone met at the village hall to be sworn into their offices for that day. From there, our mayor-for-the-day explained the duties that each person would have.

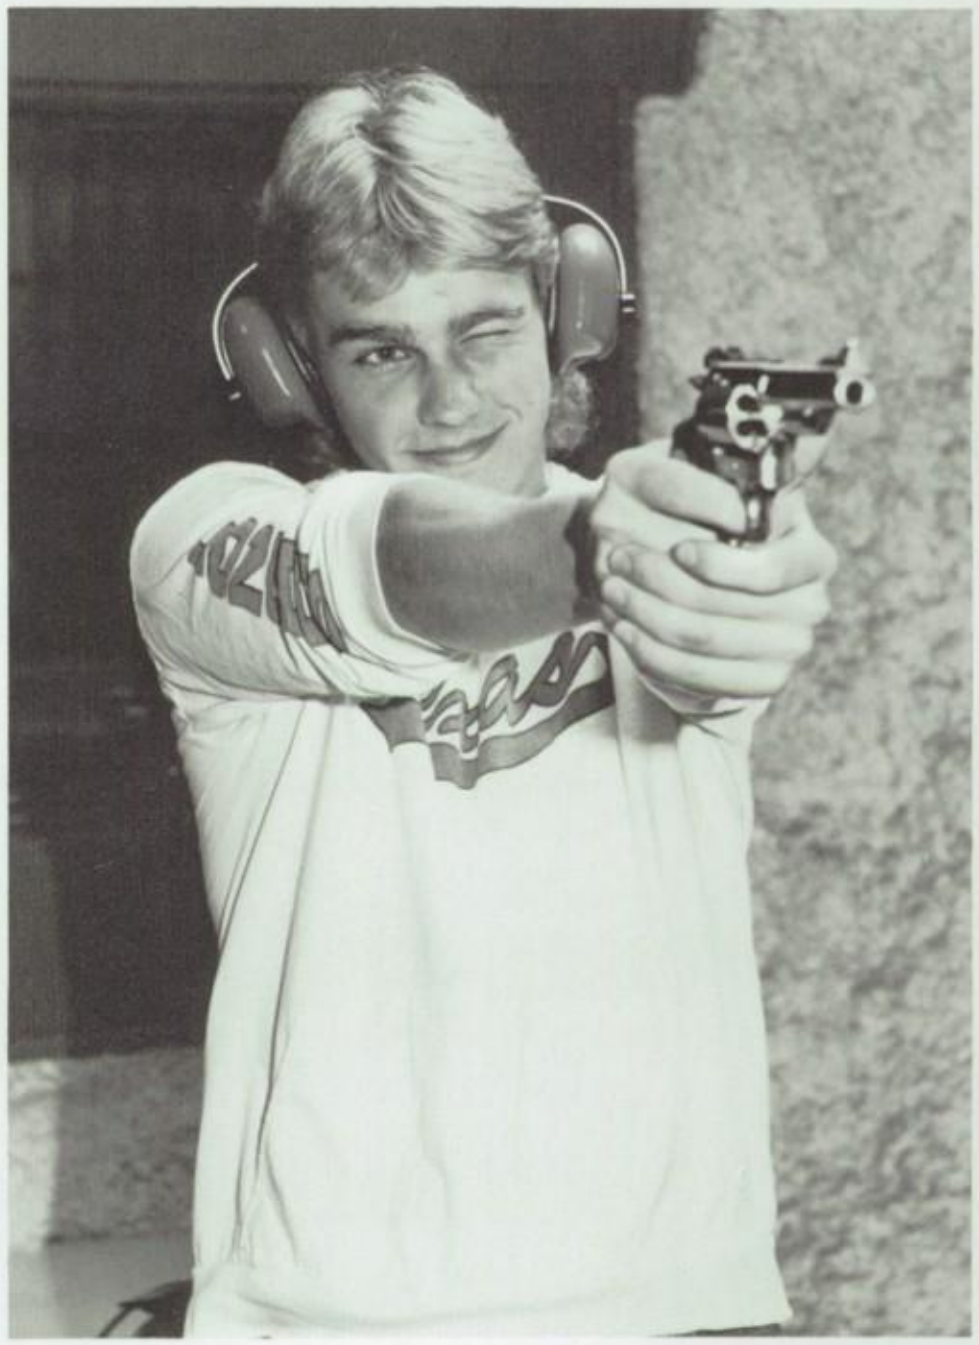
Some students went on trucks to clean up the streets of Fox Lake, and some went on tour of the sewage plant. Still more were sent to local bars and restaurants to check that they were up to safety standards.

Other students were firemen, under the direction of fire chief Joanne Hawkins. These students received a tour of the fire station and a ride in the fire truck. While in the fire truck, they received a call that there was a fire behind Curly's Marina. They arrived and successfully put out the fire.

Another group of students, the police, tried their shooting skills at the Fox Lake Police Department shooting range. There, Sergeant James Busch let everyone shoot and gave them a few pointers.

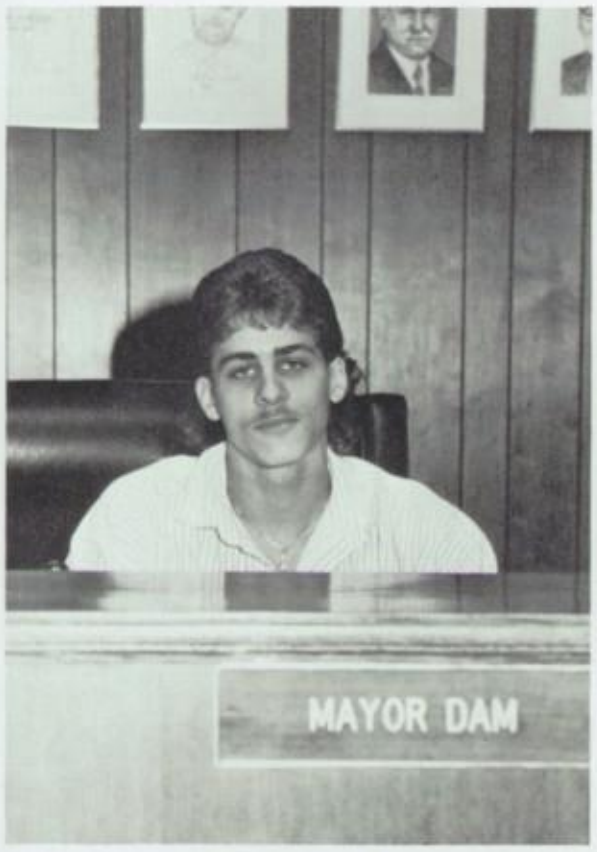
The day ended with a lunch in the park that was put on by the student council.

After the long day of running the town, everyone agreed that the day had been a success.



Officer Brian Kalchbrenner looks down range as he prepares to fire off six quick rounds at the Fox Lake Police Department's shooting range.

# TAKES CONTROL



LEFT: Mayor Jeff Hopper takes his seat on the villiage panel before being sworn in for the day. BELOW: Firemen Hoffman and Knebelsberger take pointers from Jay Rivette on how to fight the fire.

FAR LEFT: Fire chief Joanne Hawkins shows her men how to gear up in case of a fire. LEFT: Officer Pam McClellan listens to Sergeant James Busch explains how to load a shotgun.

F.I.S.T. Trustees Joanne Hawkins, Smantha Rowden, Carolyn Datlovsky, Mayor Jeff Hopper, Villiage Clerk Lori Cook, and Trustees Pam McClellan, Brad Freund and Jon Ferrigan discuss everyone's duties for the day.

D.O.N.K.E.Y. trustees and debators Dori Warden, Chris Everhart, Shannon Stevens, Jill Klien, and Heather Henderson cruise the streets of Fox Lake, picking up garbage

# CLASS OF '87 SAYS

RIGHT: Although Karyn Prasil is on crutches, she doesn't let that spoil her graduation. FAR RIGHT: Graduation was a time for serious reflection for Ann Kennedy.

**GRADUATION!** The last time for the whole class to be together. Something they'll never forget.

This year's graduation was especially easy to remember because for the first time it was held out on the football field. Graduation started at 8:00 pm on Saturday, June 6.

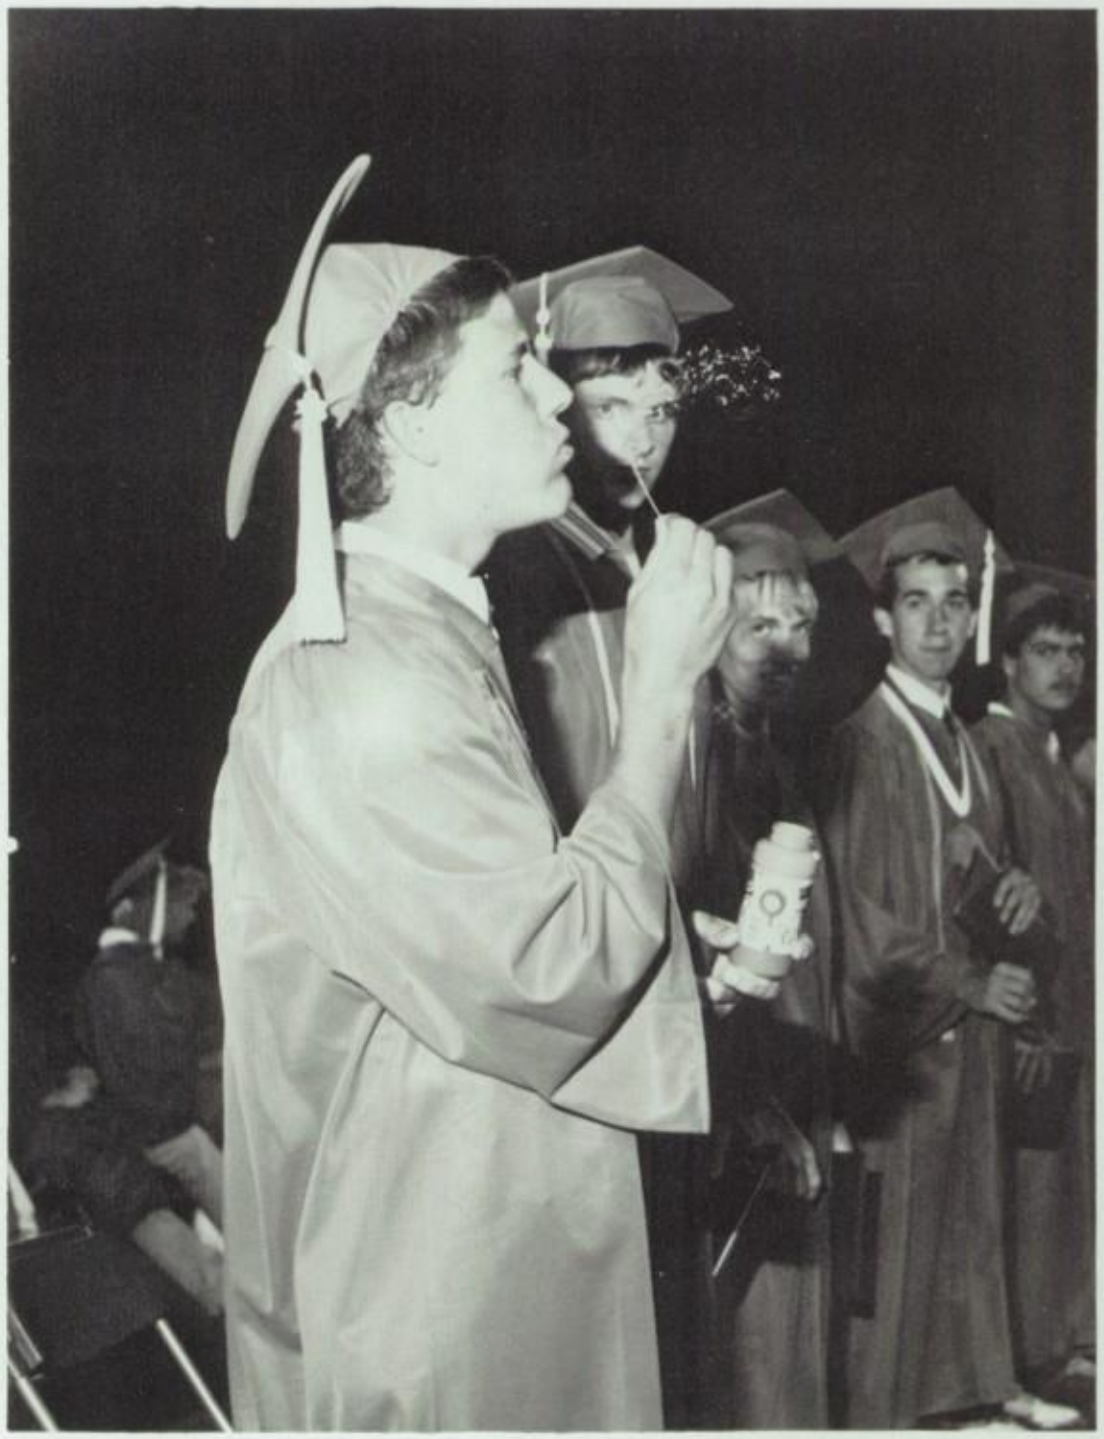
The graduates couldn't have asked for a better night, either. The weather was spectacular. They took advantage of the weather to show just how mature they all could be. They blew bubbles, chewed gum, and passed around candy throughout the ceremony.

After the ceremony, the graduates went their separate ways with tears and goodbyes. Some went to post-graduation parties, some went for a ride on the Island Queen, and some just hung around their houses or drove around in their cars.

They have said goodbye to friends, teachers, and Grant, and now they move on to bigger and better things. Though some will take time off from school and get a job, others will continue their educations at universities and colleges.

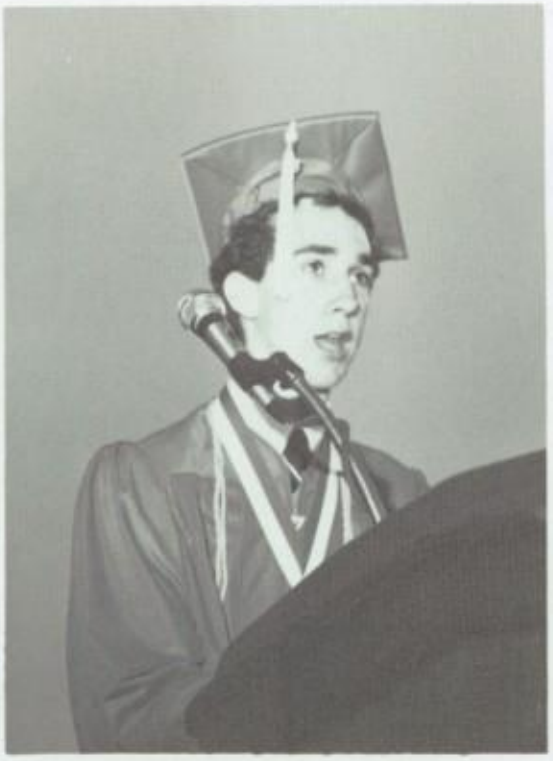
It seems like only yesterday that they walked through the doors of G.C.H.S. for the very first time- a time when graduation seemed eons away. Yet here it is and they're all wondering, "Where did the time go?"

Wherever they will go, they will always remember their days at Grant.

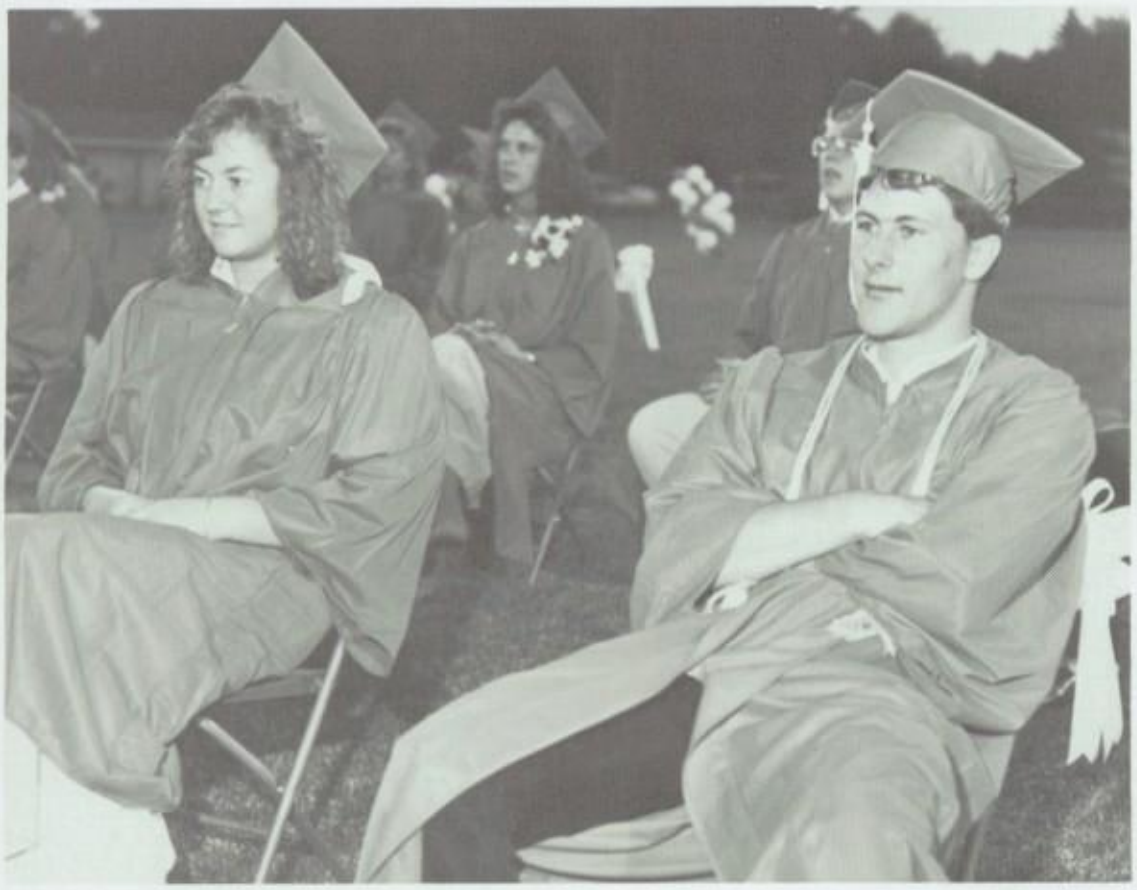


All eyes are on Rich Sundland as he gets an early start on celebrating his graduation.

# GOODBYE TO GRANT



FAR LEFT: National Honor Society president Marc Borton begins the ceremony with the invocation. LEFT CENTER: Michael Thomas delivers the salutatory address. LEFT: Valedictorian Mitch Myers reminds the graduates to look out for #1 and not to step on #2.



CENTER LEFT: Many thoughts appear to be going through the minds of Melinda Sundberg and Joe Sundland as they listen to the speeches during the graduation ceremony. ABOVE: Just the look on Dori Warden's face shows how happy she is to be graduating.

Seniors get ready for the big moment as they line up outside the Paul G. Lewis athletic field.

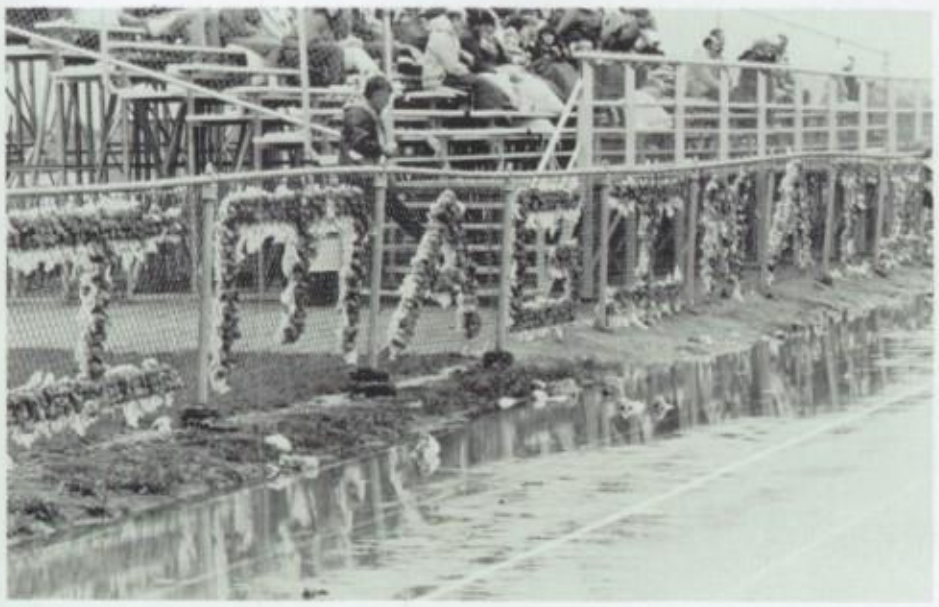
# THE FLOOD *Of 1986*



LEFT: Water lines the football field while fans huddle against the blowing rain.
BELOW: The car carrying a drenched tennis team pulls onto the parade route, while onlookers try to stay dry under their umbrellas. The rains continued intermittantly all day.

Signs and sights such as these were very common by the time the rains stopped. This one is posted on Stanton Point Rd. Lower Stanton Point was completely under water.

No book of the 1986-87 year would be complete without mentioning the rains and flood of 1986. The rains started in September and seldom stopped for almost six weeks.

It seemed like Homecoming activities were carried on between raindrops. The rain stopped or simply slowed down just often enough to allow the games, the preparations and the parade to go on. Water spread across Grand Ave. from the flooded shopping center parking lot and almost stopped the parade, but it only succeeded in slowing it down a bit.

By the time the rains stopped, everyone had been affected by them. For some, they had just been a chronic inconvenience, but for many, they were a disaster. The lake and all the channels and inlets were many feet over their banks. Countless homes were flooded, businesses had to close, many roads were impassable, and there was water everywhere.

Many Grant students and employees were seriously affected by the record rains. Some had to move from flooded homes and stay with friends until the water went down. Others had to take rowboats over flooded roads to reach their homes. Student volunteers were taken out of P.E. classes and study halls to help fill sandbags.

The stories may be all different, but everyone who lived through the flood of 1986 has a story to tell. It was definitely a time to remember.
